U. S. Destroyers
Come To Aid Of
Battered Ship

(BULLETIN)

HONG KONG, Jan. 10.—(INS)—Two American de-
stroyers came to the aid of
the shell-battered U. S.
merchantman Flying Arrow
today, and the ship's cap-
tain said he had been guar-
anteed protection against
further Nationalist attacks
on the high seas.

Officials of the A. P. Pattison
Co. Hong Kong agents for the
Island Line which owns the
Flying Arrow, said Capt. David
Jones of Chicago identified the
U. S. warships standing by as the
Bausell and the Stickell.

Jones said the U. S. ships would
afford him protection on the high
seas, but not inside Chinese ter-
ritorial waters which the National-
ists have blockaded.

Would Protect Cargo
Jones, the officials said, in-
formed them the presence of the
destroyers would prevent capture
of the Flying Arrow's \$10,000,000
cargo by Nationalist gunboats
which inflicted heavy damage on
the vessel yesterday.

The latest report from the Fly-
ing Arrow said that it was still
anchored 19 miles from the mouth
of the Yangtze with a Nationalist
gunboat standing by. It was re-
ported in no danger of sinking.

Earlier, Jones had reported that
the Flying Arrow had become un-
seaworthy from the approximately
40 shells pumped into her by two
Nationalist gunboats during a 28-
minute barrage designed to pre-
vent the freighter from reaching
Communist-held Shanghai.

While a considerable amount of
rain has fallen here during the
first ten days of January, it is no-
where near a record, and has not
produced anything like flood con-
ditions locally. A review of the
precipitation up to today reveals
the downfall to have been 3.66
inches since January 1. This
amount has fallen in cloudbursts,
during a 24-hour period, on sev-
eral occasions in the past ten years
without causing a flood.

PA News is in receipt of a note
from a resident of the New Castle-
Ellwood City road, route 88, in
regard to the new 35-mile speed
limit signs which were placed
along that road in certain places to
cut down the high speed. The
resident reports that in most cases
the signs are disregarded and more
serious accidents and bodily injury
will occur if motorists fail to re-
gard the signs. More patrolling of
the road by police is suggested if
this is possible.

With rain falling most of the
night, many of the smaller streams
about the county were quite high
this morning, it is learned from
A. A. Martin, county highway su-
perintendent. Little Beaver and
either of the creeks were bank level
around 7 a. m. today and if rain
continued throughout the day
some of the roads would be inun-
dated.

Governor Duff Opens
Huge State Farm Show

HARRISBURG, Jan. 10.—(INS)—The Pennsylvania Farm Show,
largest indoor exposition of its
kind in the nation, today swung
into second day activities on a note
of optimism.

Officials confidently expect final
attendance figures will shatter the
500,000-person mark established
last year.

Gov. James H. Duff formally
opened the mid-century exposition
last night with a brief speech in
the main arena crowded with ap-
proximately 12,000 persons.

"This packed arena is the best
proof of the wonderful farm show
we have in Pennsylvania," Gov.
Duff said. "Secretary Horst and
the state farm show commission
are entitled to the highest possi-
ble praise."

"It's not only the biggest and
best farm show in Pennsylvania,"
he added, "but the biggest and best
in the whole world."

The evening's feature attraction
was a two-hour exhibition staged
by a crack troupe of state police
horsemen.

Fair skies helped swell the first
day's attendance, and official open-
ing day estimates placed the crowd
at 85,000. More than 500,000 peo-
ple are expected at the 14-acre ex-
position before it closes on Thurs-
day.

Pageant Tonight
Eight hundred men, women and
youths from 42 countries will com-
bine music, dance and pageantry
in a story of devotion to rural
ideals and love of the soil tonight
in the farm show arena.

**COLDER WEATHER IS
REPORTED ON WAY**
Heavy rain fell throughout Western
Pennsylvania today, but there
appeared to be no immediate
threat of floods as rivers continued
to fall.

Cold weather and snow flurries
are expected to move into the area
tomorrow.

The mild weather prevailing the
last two days kept minimum tem-
peratures generally around 50 de-
grees overnight. Today's highs are
to be in the low 60s, tonight's lows
near 45, followed by falling tem-
peratures all day tomorrow.

Fund Campaign

**COUNTY CAMPAIGN
IS SET FOR FEB. 27**

Rev. Fr. R. E. Hovencamp,
rector of Trinity Episcopal church,
has been named chairman of the
1950 Red Cross fund campaign in
Lawrence county, it is announced
by S. Glenn McCracken, chairman
of the county Red Cross chapter.

Rev. Fr. Hovencamp has shown
great interest in civic affairs and
has been very active in community
welfare projects since coming to
the city," said Mr. McCracken.
"And the local chapter is indeed
fortunate to have him assume the job."

Rev. Fr. Hovencamp has had
wide experience in fund raising,
having done that kind of work be-
fore entering the ministry, and
was co-chairman of the 1949 Com-
munity Chest drive.

His interest in Red Cross work
dates back to when he was a mem-

**Make Arrests In
Alleged Black
Market In Gold**

PROVIDENCE, R. I., Jan. 10.
—(INS)—Federal officials in Provi-
dence announced arrests today
in connection with the operation
of an alleged quarter million dol-
lar "black market" in gold.

The announcement, disclosed
the arrest of three men who al-
legedly were involved in the pur-
chase of extra gold supplies from
Rhode Island's jewelry manufac-
turers.

Officials indicated the arrest of
the men, one of whom allegedly
was linked with a Boston head-
quarters of the "black market,"
was only the beginning of a thor-
ough investigation of the use of
gold in Rhode Island.

Arrested were Theodore Trock,
48, of Boston; Murray Faubman,
36, and William F. Kinnes, 36,
both of Cranston, R. I. All were
charged with violation of the 1934
gold reserve act which prohibits
the use of gold for any purpose
other than the manufacture of leg-
itimate articles, such as jewelry.

PROBE TRAIN PILE-UP
LEWISTOWN, PA., Jan. 10.—
(INS)—Pennsylvania Railroad of-

WASHINGTON, Jan. 10.
—(INS)—State Secretary
Acheson reports on the
"state of the world" today
to a critical Senate Foreign
Relations Committee poised
to jump on President Tru-
man's "hands-off" China
policy.

Committee Chairman Connally
(D) Tex., said that so many ques-
tions are in sight the closed ses-
sion could last all day.

Assault Policy
Connally disclosed that four Re-
publicans who are not members
of the committee have asked per-
mission to attend. Two of them,
Sens. Knowland, Calif., and Fer-
guson, Mich., have bitterly assailed
what they termed "our do-nothing"
policy on China.

The other two, Senate GOP Whip
Saltwater, Mass., and Tobey
N. H., have indicated a middle-of-
the-road attitude on the critical
Far Eastern situation.

The committee is to vote on
whether to permit them to sit in
before Acheson begins his presen-
tation. Connally said he opposes
allowing the visiting Senators to
ask questions.

BALTIMORE, Jan. 10.—(INS)—
President Elpidio Quirino of the
Philippine republic arrived at the
Glenn L. Martin airport in Balti-
more today preparatory to enter-
ing Johns Hopkins hospital for a
kidney operation.

The Philippine chief executive
had been scheduled to land at the
municipal airport but a switch was
ordered to spare the ailing presi-
dent from the necessity of facing a
large crowd.

Quirino was greeted by Gov. W.
Preston Lane, representatives of
the Philippine delegation to the
United Nations and Ambassador
Joachim M. Elizalde.

The president, who traveled to
Baltimore in a chartered Philip-
pine Air Lines plane, established
headquarters at the Belvedere ho-
tel, where he planned to rest brief-
ly before entering the hospital.

**Believe British
Elections Date
Has Now Been Set**

LONDON, Jan. 10.—(INS)—
Prime Minister Attlee's cabinet
met for 90 minutes today, and
government circles believe the
date has been set for new general
elections despite lack of an official
announcement.

Formal announcement of the
date within 36 hours was con-
sidered possible.

Most speculation on the prob-
able date pointed to February 23
and the possibilities of a "surprise"
election before that time were
generally ruled out.

There had been reports earlier
today that Attlee might favor hold-
ing the election on February 2
so that a victory could be hailed—
if there is one—at the Labor party
jubilee scheduled for the follow-
ing day.

British Union
Miners Against
Wage Freeze

LONDON, Jan. 10.—(INS)—
Britain's unionized miners threat-
ened the Labor government's stand
against inflation today when they
voted against a wage-freeze pro-
posed by the Trades Union Con-
gress.

Complete results of the rank-
and-file ballot taken yesterday
were not in but available returns
indicated clearly the membership
would refuse to go along with
the TUC and the government it-
self. The decisive vote was in
Yorkshire, where slightly more
than 50 per cent cast "no" ballots.

Representatives of the TUC's
187 unions are scheduled to meet
Thursday to take formal action
on the wage-freeze proposals.

WASHINGTON, Jan. 10.—John

whether he faces a new court bat-
tle with the government—a pro-
cess that has cost the United Mine
Workers more than two million
dollars in the past three years.

Robert N. Denham, general

LAKE SUCCESS, N. Y., Jan. 10.
—(INS)—The United Nations is
poised today for a dramatic bat-
tle in the Security Council on the
issue of Nationalist China's status.

The 11-nation council meets
this afternoon under the chair-
manship of Dr. Tingfu F. Tsiang
in what may be the decisive test
of the top-ranking Nationalist
spokesman's right to sit on the
council.

Tsiang, under the monthly ro-
tating system, is chairman for
January and thus in a strategic
position to parry the expected So-
viet attack on his right to hold
office. He already has indicated
his readiness to repel any move
to unseat him.

Asked if China—as one of the
Big Five powers—would use the
veto in blocking any attempt to
unseat her, Tsiang said:
"We are entitled to use the
veto."

Eight States Are Affected
By New Strike Technique
Of Lewis' Miners

AIM TO REDUCE
COAL ABOVE GROUND
(BULLETIN)

PITTSBURGH, Jan. 10.—
(INS)—Nearly 70,000 soft
coal miners refused to work
in eight states today in what
industry sources called a
campaign to pressure big
coal operators into signing
new contracts.

The strike spread to thir-
teen additional mines in
western Pennsylvania today,
making a total of 52 mines
closed, employing more than
30,000 miners and ordinarily
producing some 157,000 tons
daily.

About 16,000 of West Virginia's
100,000 diggers are idle, accord-
ing to the Southern Coal Pro-
ducers Association in Charleston. That
was 6,000 more than were idle in
the state yesterday, the first day
of the walkout.

New Technique
Sources close to the coal indus-
try claim the scattered work stop-
pages are a new technique de-
veloped by the United Mine Work-
ers to reduce coal supplies above
ground and increase costs for the
operators.

In addition to the three-day work
week, which UMW President John
L. Lewis imposed Dec. 5, observers
claimed the union intends to har-
ass the industry by strikes in
scattered areas.

In Pennsylvania, Ohio, West
Virginia, Kentucky, Virginia, Ala-
bama, Montana and Utah, miners
failed to report for work again to-
day. Last week 16,000 diggers in
Illinois started the scattered strike
technique by refusing to mine coal
Tuesday and Wednesday after the
New Year holiday.

About 338,000 bituminous miners
are working.

Observers insist the UMW has
selected new localities which will
be subjected to work stoppages

Violent Deaths Of Americans In
Philippine Islands Being
Investigated

MANILA, Jan. 10.—(INS)—
Three Americans have died vio-
lently and two others are still
missing today in the jungles of
the Philippine Islands.

An 18-year-old student, Patrick
Z. Murphy, was reported shot and
killed by Philippine constabulary-
men while hunting wild pigs in
Iloilo province on Panay Island.

Manila newspapers told of that
incident a few hours after the
disclosure that two ex-G.I.s, Paul
Searles, 36, and Frank Jirgl, 45,
had been found decapitated, evi-
dently by primitive head-hunters,
in Luzon Island's Zambales pro-
vince.

Fears mounted for the safety of
two American professors, Dr. Robert
Conklin of Springfield, Mass., and
Dr. Marvin Pittman of Califor-
nia, lost for 17 days in the
mountainous jungles of northern
Luzon where the Igorot headhunt-
ing tribes dwell.

Duca D'Abruzzi Installs Officers

Michael Apecelli Assumes New Position As President Of Club For 1950

Members of the Duca Degli Abruzzi fraternal club held their installation of officers for 1950 at a meeting held Sunday in their newly remodeled club rooms.

Mike Apecelli, new president accepted his new position with Nicholas Casalandra in charge. The new president then presided and installed the following:

Vice-president Joseph Malizia; financial secretary, James Vargo; corresponding secretary, Edward Malley; treasurer, Tony Pavia; trustees, Sam Malizia, Nick Memo, Domenick Leonelli and Cosmo Scilla; steward, Domenick Cook; assistant steward, Albert Latoria. The assembly decided to have a sausage fry on Saturday evening, January 21, open to all members and friends. Plans were also made to give Nicholas Casalandra, a token of appreciation for his fine work during 1949 as president.

The creek at a higher stage due to the rains of the past few days flows more smoothly as it goes over the area which was dredged. If ice were to form on the Neshannock at the present time, many fine hours of skating could be enjoyed on the wide surface.

Easter is due to make its appearance on April 9 this year, and many local churches are already putting plans into operation whereby an appropriate observance of the season will be made. Church choirs are selecting cantatas and other groups are preparing programs. Holy week, April 2 to 9, will be quite extensively observed if present plans materialize.

CUTS IN TRUMAN BUDGET WILL BE AIM OF CONGRESS

would probably total 38 billion dollars. He declared:

"We must keep our expenditures down below that."

Nine Billion Increase
Taber estimated that the president asked for 47 billion 322 million dollars in "cash requests", which he termed an increase of nine billion dollars over the 38 billion 500 million in cash provided by congress last year. Mr. Truman estimated 1951 expenditures at 42 1/2 billion dollars.

Taber, who headed the committee in the GOP 80th congress in 1947-48, the only time in recent years when the budget was balanced, said the budget must be brought into line.

Taber's views were echoed by other economy-minded members of both the house and senate. Democrats as well as Republicans. House appropriations committee chairman Cannon (D) Mo., warned that the nation's fiscal situation is today the most unfavorable in the peacetime history of this country.

Will Be Budget Cut
Cannon said there will be "a material cut" in the budget, but did not hazard a guess on the size of the reduction. He estimated his group cut one billion dollars from the record budget submitted by the president last year, but the senate put most of it back.

Prominent senators joined in the cry for economy, but amid almost unanimous lack of enthusiasm for new taxes to provide additional revenue. The president sent a message to congress soon outlining his views on the tax situation.

GOVERNOR OPENS STATE FARM SHOW

(Continued from Page One)

of tonight's fifth annual rural talent festival, depicting rural life through four episodes dealing with faith, work, home and youth.

The serious side of farming had its share of attention too today.

A Pennsylvania State College extension marketing specialist reported today that many Pennsylvania vegetable growers are entering 1950 with apprehension and caution not experienced since the thirties.

"The squeeze is on," Robert S. Donaldson told the Pennsylvania Growers' Association meeting at the show.

"However, it is expected that during 1950 business activity will be at a continued high level," Donaldson said, "and as long as business is strong, vegetable growers can look for rather favorable demand."

Donaldson said that a downward trend in agricultural exports to Europe might be partially offset by Canada's removal of restrictions on importation of fresh vegetables from the United States.

Honors Conferred
Mason C. Gilpin, managing editor of Pennsylvania Farmer magazine, awarded the honorary degree of master farmer to a Pennsylvania farmer at a luncheon meeting today.

Those honored were: Roy S. Bowen, Tioga county; Gilbert M. Burr, Wyoming county; John S. Campbell, Jr., Butler county; Guy S. Read, Schuylkill county; Roy Robinson, Washington county; and Samuel M. Schaeffer, Berks county.

W. H. Oaks and his son, Kenneth, of Greencastle, Franklin county, were announced as top producers of the 1949 Pennsylvania Corn club today at the annual farm show meeting of the Pennsylvania Crop Improvement Association.

Oaks and his son grew 153 1/2 bushels of dry shelled corn per acre on a measured five-acre plot. They had a stand of 13,920 plants per acre, Kenneth said, with corn ears averaging 77 pound each.

H. A. Snyder, of Montoursville, told the Crop Improvement Association today that production of high-quality roughage on farms is possible, practical and profitable.

Production, economy to meet increasing competition, and condition and health of animals were cited by Snyder as affecting roughage quality. Snyder, a former president of the association, is a Lycoming county dairyman and certified seed grower.

In another address to the association, C. N. Hoffer, former Purdue university soils scientist, said that modern heavy farm machinery increases the need for more organic matter in the soil to avert soil compaction.

U. S. DESTROYERS COME TO AID OF BATTERED SHIP

(Continued from Page One)

The Nationalist Gunboats were reported earlier hovering in the vicinity. And there were indications it might try to escort the Flying Arrow to Formosa, island headquarters of the Nationalist government.

The 6214-ton freighter, carrying 12 passengers along with its cargo, was the fourth Isbrandtsen Line vessel to be attacked by the Nationalists since they imposed their blockade on Communist-held mainland ports.

The Isbrandtsen company is the only U.S.-owned firm which has attempted to run the blockade. But the first British ship to make the run since Britain recognized the Communists is due at the mouth of the Yangtze tomorrow.

Three Nationalist warships were reported on the look-out for the 555-ton freighter, Elsie Moller, bound for Shanghai from Hong Kong with general cargo.

Orders to Destroyers
Washington, Jan. 10.—The Navy announced today that two American destroyers sent to the assistance of the Flying Arrow have been ordered to give aid only if the merchant ship does not attempt to proceed to Shanghai.

The Navy's announcement was issued jointly by Defense Secretary Johnson and Navy Secretary Matthews. They said that the Flying Arrow has 17 holes in her hull resulting from gunfire by Chinese Nationalist ships blockading Shanghai.

The destroyers Bausell and Stickell were ordered to assist the Flying Arrow to "reach any port except Shanghai, which is considered by this government to be a dangerous zone."

Deaths Of The Day

Mrs. Isaac C. Young

Mrs. Jeanette Young, aged 44 years, wife of Isaac C. Young, of 2015 Wendover street, Pittsburgh, Pa., died in the Mercy hospital, Pittsburgh, this morning at 2:30 o'clock, after an illness.

Mrs. Young was born in New Castle, daughter of the late Harry and Sarah Rabinovitz, former well-known and old-time residents of this city.

She leaves her husband, Isaac, and two sons, Howard Allan, and Stephen Robert, Pittsburgh; and a sister, Mrs. Morris Davis of New Castle.

Funeral services will be conducted from the Ralph Schugar Chapel, 5509 Centre avenue, Pittsburgh, Wednesday morning, January 11, at 11 o'clock.

Further services and interment will be conducted in Tifereth Israel cemetery, this city, Wednesday at 2 p.m.

Ernest Reese

Ernest Reese, aged 74 years, of New Castle, R.D. 6, died Monday at 1:20 p.m. in the Ellwood City hospital, where he had been a patient since Friday, having been in failing health since July.

Born in Youngstown, O., January 21, 1875, he was a son of George and Susan Rogers Reese. He was the last survivor of his family. Mr. Reese was a resident of the Ellwood City community for 57 years, having moved there from Youngstown.

Survivors are: his widow, Mrs. Amelia Reese, whom he married 41 years ago; nine children, Mrs. Leona Fleeger, of New Castle, R.D. 6, Everett Reese, of New Springfield, O.; Mrs. Hazel Olinger, of New Castle, R.D. 1; William Arthur Reese, of Pine Camp, N. Y.; Edgar Reese, of Michigan; George, Carl, Ernest and Harry Reese, all of Ellwood City; 29 grandchildren and two great-grandchildren.

A daughter, Mrs. Josephine McCarthy, preceded him in death in 1939.

Funeral services will be conducted Thursday at 2 p.m. from the Patton funeral home, Sixth street, Ellwood City, where friends may call from 2 to 4 and 7 to 9 p.m. today and from 4 to 10 p.m. Wednesday. Burial will take place in Mt. Hermon cemetery.

Mrs. Pringle Services
Funeral services for Mrs. Pearl Pringle were held Monday at 1:30 p.m. in the Leyde mortuary with Dr. R. M. Patterson in charge.

Interment was made in Oak Park cemetery.

Pallbearers were: Allan Myers, Ray Arblaster, Ross Arblaster, Edward Pritchard, Earl Gosnell and Mike Navarra.

Mrs. Budzowski Funeral Time
Funeral services for Mrs. Edward Budzowski, Edinboro, Pa., R.D. 1, will be conducted Thursday morning at 9:30 o'clock in the Noga funeral home, South Mill at Reynolds street. Further services will be in St. Nicholas Orthodox Greek Catholic church at 10 a.m.

Burial will be in the church cemetery. Friends may call at the Noga funeral home, anytime.

Linn Funeral

Funeral services for John E. Linn, Sr., were conducted from the Offutt funeral home, Monday at 2:30 p.m., Rev. Thomas J. Brown, of the Church of Good Shepherd of Youngstown, O., in charge. Rev. Earl E. Collins, of the Bethel Baptist church, this city, assisted.

A solo was sung during services by Mrs. Melba Clark, accompanied by Mrs. Charlotte Emery.

Pallbearers were: Donald, William and Frank Barton, Thomas Maxwell, Frank Thompson and William White.

Interment was in Oak Park cemetery.

Cook Funeral
Funeral services for John Lowery Cook were conducted Monday at 2:30 p.m. in the Burke funeral home, with Elder W. G. McCune in charge.

Pallbearers were: Thomas Cook Jr., Robert Peterson, Jr., Earl Neyman, Donald Rohrbaugh, Elmer Caldwell and Kenneth Caldwell.

Burial was in Greenwood cemetery.

Olson Funeral
Funeral services for Theodore Olson, of 52 Oak street, Bessemer, were conducted Monday at two p.m. from the Mission Covenant church with Rev. Jerome Ahlstedt officiating.

Dewey and Leland Olson, Albin Gabert, John Scully, Richard Baum and Ernest Anderson served as pallbearers.

Burial took place in Mission Covenant cemetery.

next week, while the current idle diggers probably will resume the three-day week.

One operator said even if the industry would agree to Lewis' demand for a 95-cent daily wage increase, the nation's 400,000 miners would have to work more than six years to make up wages lost during 1949.

The curtailed work schedule and series of strikes have been characteristics of the eight-month fight between the UMW and the operators over a new contract.

Coal sources claim operators already have a tremendous operating cost because of the curtailed work week and the irritating work stoppages.

Western Pennsylvania has been the hardest hit area during the current strike.

Chief Targets
Pittsburgh Consolidated Coal company, the world's largest commercial producer, and H. C. Frick Coke Company, a U. S. Steel subsidiary, are the chief targets.

"Captives" mines in Weirton Steel, Republic Steel, Youngstown Sheet & Tube, Jones & Laughlin and Crucible Steel of America also have been closed by the walkout.

Pittsburgh Consolidation and Frick have led the fight against the UMW's demand for a daily pay boost from \$14.05 to \$15 and an increase in the royalty tax on coal from 20 cents to 35 cents a ton to support the union's health and welfare fund.

UMW officers have emphasized they know nothing about the walkout and in each affected area, they promised to investigate the strikes. Probably today or tonight, local officers will order the men to return to the pits next Monday.

CLOSED SESSION OF COMMITTEE HEARS ACHESON

(Continued from Page One)

mantling of German war plants and the status of western Europe generally.

The cabinet member will be making a defensive presentation of the administration's global policy. Democratic committee members have upheld the President's refusal of military aid to anti-Red Chinese on Formosa. But Republicans have bitterly attacked the policy.

Acheson is expected to be quizzed on Ferguson's statement that the "hands-off" Formosa announcement by Mr. Truman does "not lock the door" on some type of assistance to the Communist threatened island.

Volunteer Aid?
Ferguson contended, after a conference with Mr. Truman and Acheson, that the new policy does not foreclose the sending of a volunteer, unofficial military mission to Formosa to advise anti-Red forces.

Connally scoffed off the volunteer mission. He explained, "who would volunteer? Why, nobody!"

Ferguson said that as long as October the administration sent a Senate note to the Chinese Nationalists refusing them any military aid in Formosa. He said nothing could be said of this hush-hush note until the President's recent announcement.

FLOOD CREST OF WABASH RIVER SURGING SOUTH

(Continued from Page One)

lapse of upriver levees temporarily eased the pressure on the Indiana side of the river.

More Rain Predicted
Fresh rains fed swollen rivers in many stricken localities, adding to the misery of victims, and more rain was predicted for today.

The Wabash levelled off inches from the top of a 29-foot flood wall at Vincennes, Ind., after 16,000 acres were flooded north of the city, and the break lessened the threat to Lawrenceville, Ill., near the junction of the Wabash and Embarras rivers.

In all, 50,000 acres of rich Indiana farmland have been inundated.

A 282 foot crest drove half of Hutsonville's families from their homes and sent national guardsmen, regular army troops and state prison farm inmates to aid rescue efforts in the stricken area.

State authorities rushed typhoid immunization serum to the county health officer in Lawrenceville, where the National Guard armory was turned over to the Red Cross as a refugee center.

board for three years, prior to coming to New Castle on October 1, 1947.

Eager To Start Campaign
In explaining why he was so willing to take over as chairman of the coming campaign, Rev. Fr. Hovencamp said:

"Raising funds for the Red Cross is something that absolutely must be done for the good of the community and the country. It is important that the local community cooperates with the National Red Cross in raising sufficient funds to carry on the program throughout the coming year."

"The local communities cannot let the national organization down, for we believe that the Red Cross is a part of the American way of life and we must support it vigorously," he added.

Beginning of the 1950 fund raising campaign is set for Monday, Feb. 27.

pressure on the operators will be shattered.

Demands For Action
But a decision by Denham that the dispute does not merit injunctive action may crumble the operators' last line of resistance to Lewis' new contract demands.

The growing coal shortage resulting from the three-day week plus a new strike of nearly 50,000 miners in eight states has brought strong congressional demands for prompt government action.

A group of Republican lawmakers plan to introduce resolutions in the Senate and House calling on President Truman to take immediate steps to restore the mines to full-scale production.

SOCIETY & Clubs

MINISTERS' WIVES TO HAVE BANQUET

Ministers' Wives club was entertained in the home of Mrs. F. Sulmonetti, of 108 Phillips street Monday evening.

Mrs. Paul Aley presided when plans were made for a banquet in Croton Methodist church Monday evening, Feb. 13, with husbands as special guests. Interesting letters from two former members, Mrs. Edward Leppaluto, of Fort Bragg, Calif., and Mrs. E. A. Crooks, of Orlando, Fla., were read.

Ethna Sulmonetti played several piano solos and sang a group of numbers, with her mother as accompanist. An old-fashioned spelling bee was enjoyed, with Mrs. D. T. McIntosh as the winner.

Later dainty refreshments were served with Mrs. J. A. Gaiser, co-hostess, aiding the hostess.

MRS. J. H. BOON IS HONORED BY CLASS

Members of the Nellie Constance Bible class of the Alliance Gospel Tabernacle, 210 Pearson street, assembled in the home of Mrs. John Balint, Brooklyn avenue, Monday evening for a farewell event honoring Mrs. J. H. Boon, who is leaving the city to make her home in Clearfield, Pa.

Thirty-four were present for the event, with several members of the Mable Ryan class present. Mrs. Nettie Peacock led in prayer, followed by the singing of the class song. Following a testimony period Mrs. Boon was presented with many lovely hankies from the ladies.

Refreshments were served by the hostess, aided by Mrs. Howard Gross, Mrs. William Alexander, Mrs. Avery Rigby and Mrs. George McNeish.

SISTERHOOD WILL ASSEMBLE TONIGHT

Members of Tifereth Israel Sisterhood will hold their regular monthly meeting this evening at Tifereth Israel Synagogue at 8:15 p. m.

A delightful program has been arranged by Mrs. Jules Lipschutz.

Birthday Honored

Dean Nardis, son of Mr. and Mrs. B. D. Nardis of 1601 Thorpe street, was honored on his sixth birthday when a group of his friends gathered at his home recently.

Various games were enjoyed by the group, with prizes awarded to Ronnie Dean, Larry Dean, Danny Hanlon, Bobby Mason, Darlene Forkey, Raymond Forkey, Nancy King, Janet King, and Donald Nardis.

Hats, favors and a large birthday cake were special features of the party. Dean was the recipient of many lovely gifts in honor of the occasion.

Ki-Nu Club To Meet

Members of the Ki-Nu club will meet Thursday at 8 o'clock, at the home of Mrs. Milo Calderwood, Winslow avenue.

B.P.W. MEMBERS WILL HEAR SPEAKER

New Castle Business and Professional Women's club will have a dinner meeting in First Methodist church Wednesday evening, January 11, at 5:45 o'clock.

Miss Evelyn Spencer, chairman, and members of her public affairs committee are responsible for the first meeting of the new year.

Rev. Wayne Shuttie will discuss the timely topic, "What Hope for Soviet American Accord?" Rev. Shuttie, pastor of the West Shore Unitarian church, Lakewood, O., has also served on the Hough Area Affairs and as secretary-treasurer of the Meadville Unitarian conference.

EVENING SECTION ENJOYS MUSICALES

The musicale enjoyed by members of the Evening Section of Woman's club in the home of Miss Elizabeth Butz, of 811 Carlisle street, was delightful.

Earl Hammond opened the program by singing three selections, "Passing By," Edward Purcell; "Love Has Eyes," Henry Bishop; and "God Touched the Rose," Mary Helen Brown. Edwin Lewis served as accompanist. John Vance pleased with two piano solos, "Rhapsodie Mignonne," Koelling and "Sword Dance," Katchachurian. Miss Betty Smith offered three vocal numbers, "If I Could Tell You," Ida Bell Firestone; "Tally Ho," Franco-Leoni; and "I Love Life," Manna Zucca. Miss Alyene Carriek accompanied Miss Smith on the piano. Carol Young gave "Mrs. Murphy's Permanent," a humorous reading.

Miss Evelyn Bernine played two piano solos, "Etude in D Flat," Liszt, and "Spanish Lullaby," Lacuna. Carol Young closed the musicale by offering two readings, "Aunt Hannah Hayseed in the City" and "The Accident."

CURRENT EVENTS CLASS MEETING

Mrs. Charles T. Metzler, 404 Park avenue, was hostess to members of the Current Events class Monday afternoon at her home.

Roll call was answered by a short current event, and after a brief business meeting a general discussion of important world events took place. All members participated and Mrs. John Atkinson and Miss Nora Hough acted as critics.

The group will meet with Miss Rebekah Wilkison, 1812 Highland avenue, January 23.

Dames of Malta
Dames of Malta will meet Wednesday evening in the I. O. O. F. hall at 7:45 o'clock.

MERRI-MAMS PLAN FOR DINNER PARTY

Mrs. Walter Morgan of 1049 Rose avenue was the charming hostess to members of the Merri-Mams on Monday evening. The house was beautifully decorated with colorful holiday decorations.

A business meeting was conducted by the president, Mrs. Marshall Russett. New plans were made for the coming year, and several rules were outlined by the ladies. Mrs. Frank Davelli read the treasurer's report.

An anniversary dinner is planned by the group to be held February 4 at a New Wilmington tearoom. Husbands will be special guests.

Cards were the pleasing diversion of the evening, with prizes captured by Mrs. Clement Gardner and Mrs. Guy Troggio. Mrs. John Morar, Jr. was successful in winning the door prize.

At a late hour, delicious refreshments were served by the hostess, aided by Mrs. Russett.

Mrs. Marshall Russett of 108 East Winter avenue will receive the members to her home on February 7.

CHANGE OF PROGRAM FOR WIMODAUSIS

Members of the Wimodausis will observe "guest day" when they meet at The Castleton Wednesday for a one o'clock luncheon.

Due to mid-year examinations the cappella choir of the New Castle senior high school, under the direction of Edward Book, will be unable to fulfill their engagement at the luncheon. Mrs. Myron Ormstead, in charge of the program, has secured Mrs. Thomas Shreffler for the occasion. Mrs. Shreffler will review the book, "The Chain."

MISS GLADYS ALEY BETROTHAL KNOWN

Mr. and Mrs. Elmer Aley of 202 North Liberty street announce the engagement of their daughter, Gladys Loretta, to Lawrence Black, son of Mr. and Mrs. Plumer Black of R. D. 7, Mahoningtown.

No definite date has been set for the wedding.

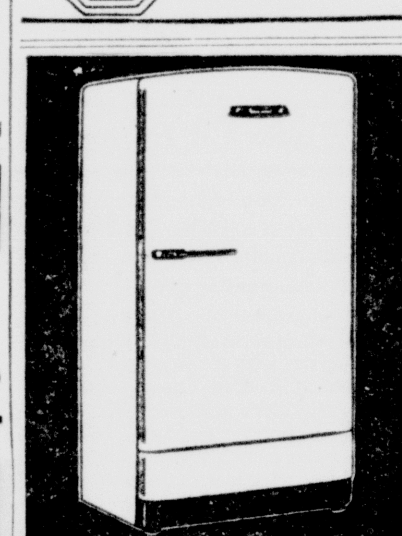

Gleaners' Class To Dine

Members of the Gleaners' class will have a tureen dinner in First Baptist church Thursday evening, January 12, at 6 o'clock.

Truman's Budget Plan Brings Much Criticism

WASHINGTON, Jan. 10.—(INS)—President Truman's 42 and one-half billion dollar budget message brought scathing criticism from GOP legislators and only moderate approval from many Democrats.

House minority leader Martin (R) Mass., asserted: "The president's message as a security proposition cannot meet the simplest tests required by the Securities and Exchange commission for private flotations. We are living in a propped-up economy."

Martin charged that Mr. Truman has "borrowed a leaf from the bankrupt governments of Europe."

Sen. Taft (R) Ohio, declared: "The estimated deficit of 5.132 billion dollars shows that the president's talk about economy and a balanced budget in his state of the union message was only for window dressing purposes."

Other Comment:

Senate foreign relations chairman Connally (D) Texas—"I am glad to see that the budget reduces foreign aid by one billion 300 million dollars. We shall consider the matter carefully."

Rep. Doughton (D) N. C., chairman of the tax-writing house ways and means committee—"I hope the budget will be balanced about increased taxes and cuts in government expenditures. What congress will do about appropriations this year, I don't know."

Rep. Hagen (R) Minn.—"The president seems to think the only way to balance the budget is to increase taxes. There is another, and more sensible way, and that is to reduce government expenses. The proposed budget is too high."

House minority whip Arends (R) Ill.—"The president by his extraordinary budget, with his anticipated five billion dollar deficit, is helping lay the bricks in the road to economic ruin for this country."

Rep. Reed (R) N. Y., ranking minority member of the ways and means committee—"if congress would go ahead with the budget proposed by the president, he

probably would spend us into a 10 cent dollar. We're in inflation now and this will add to it."

Senate minority leader Wherry (R) Neb.—"It is a purely political budget message and if the national economy is to be safeguarded, the job will have to be done by congress through drastic reductions in expenditures and in sensible tax revisions. The president sugarcats red ink with flights into the great blue yonder."

Scouts Nominated For City Offices

'Civic Day' Officers For Scout Week To Be Elected By Ballooning Of Entire District

More than 70 scouts and leaders met in the new City hall last night to nominate their choice to appear on the official ballot for "Civic Day" during Scout week, Feb. 6-12. On this day, the scouts will take over the City of New Castle including the positions of mayor, councilmen, controller, and city treasurer.

On the ballot for mayor will be Charles Nassif, Troop 22, Willis Peacock, Troop 18, and Myron Brooks, Troop 12.

Councilmen candidates include Jennings Grabe, Troop 9; Raymond Cline, Troop 1; Harland Floyd, Troop 9; David Hackett, Troop 10; John Finnin, Troop 4; Bob Brinton, Troop 18; Harry Jermakowicz Jr., Troop 26, and Robert Cramer, Troop 9.

The ballot for controller will include Joe Hensley, Troop 22, Dwight Fiscus, Troop 12, and James Kane, Troop 22.

For city treasurer will be John Lang, Troop 22; James Kennaday, Troop 44, and Stanley Smith, Troop 26.

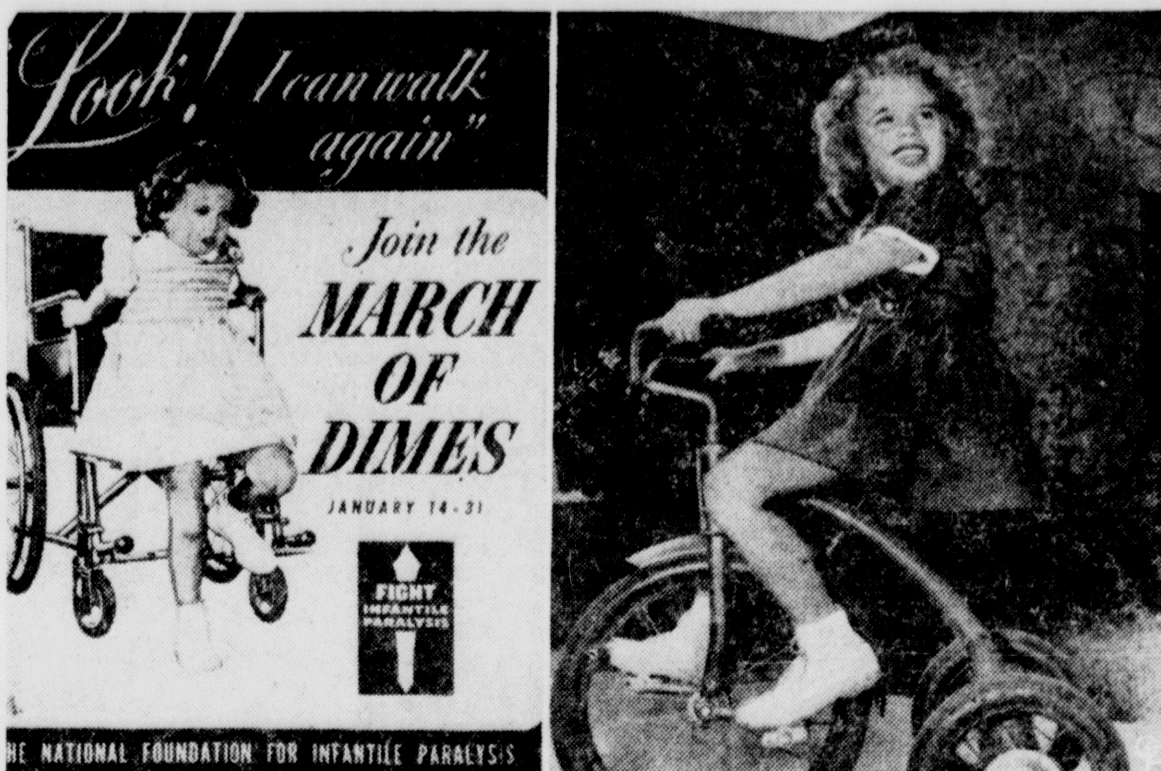

The scoutmasters will receive the official ballots through mail this week and will conduct their own selections. Returns postmarked later than Saturday, January 28, 1950 will not be counted.

Dale Clobus, camping and activities chairman of the Kuskuski District, Lawrence County Boy Scouts, acted as chairman for the convention.

Scheduled for 7:30 o'clock, the New Castle School Board will meet Wednesday night in the Administration building in East street. There appears to be little more than routine business to care for at the meeting.

There are 33 million automobiles in America running on three million miles of paved roads.

Nearly 200 Persons Register For Adult Education Courses

Classes In Clothing And Textile Painting Full, Others Have Openings

Nearly 200 persons registered for classes in the Adult Education program of the New Castle public schools at the Senior High school last night, it is announced by Earle M. Cass, adult education director.

As a result of the registration, classes in clothing and textile painting have been completely filled, it is stated.

Openings still exist in the classes on chorus, blueprint reading, mechanical drawing, wood-working, psychology, bookkeeping, shorthand, typing and shop work at George Washington junior high school.

Chorus Class New

The class in chorus is a new one added to the Adult Education program this semester. It will be under the direction of Edward C. Book, music supervisor at the Senior High school.

Mrs. Cass will be at the High school from seven o'clock to eight o'clock in the evenings this week for registration in these classes.

The course in letter writing will not be offered, it is announced, because not enough persons were interested in taking it.

It is also announced that as soon as the classes are filled, registration for them will be closed.

Kiwanis Club Of New Wilmington Dinner Meeting

Rev. George Myers Addresses Club And Shows Films Monday Evening

New Wilmington Kiwanis club met Monday evening in New Wilmington for its regular weekly dinner meeting.

President Howard Rodgers was in charge of the meeting, which featured a talk and films by the Rev. George Myers, pastor of the New Wilmington Methodist church. The films were furnished by the John Deer company.

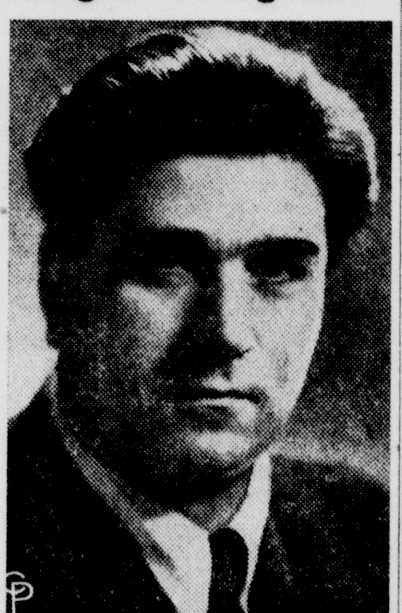

Griffith Williams was in charge of the program and introduced the speaker and the guests. Guests were William Hanna, postmaster of the New Castle Post Office, and Mr. James, of West Middlesex.

The club voted to sponsor the annual March of Dimes campaign, which will begin later this month.

Canada, extending almost 4,000 miles from ocean to ocean and 3,000 miles from the Canada-United States border to the Arctic, is larger than the whole of Europe or the United States and Alaska combined.

The government has sent about 2,300 Quonset huts to the midwest to help store the record 1949 corn crop.

Bulgar 'Strong Man'

Vulko Chervenkov

ACCORDING to reports out of Belgrade, Moscow has named Vulko Chervenkov (above), secretary general of the Bulgarian Communist Party, to tighten up Soviet control over the Bulgarian Government. It was believed that Chervenkov would be made Minister of the Interior, a post giving the holder police control. (International)

Mme. Chiang Starts Trip To Formosa

NEW YORK, Jan. 10.—(INS)—Mme. Chiang Kai-Shek left New York by plane today en route to San Francisco from where she will fly to the island of Formosa and rejoin her husband in the Chinese Nationalist fight against the communists.

The American-educated first lady of nationalist China spoke briefly before she boarded a Trans-World Airways plane, expressing her thanks to Americans for their kindness during her year-long stay in the U. S.

She declined, however, to make any new statement on the Chinese situation or this country's announced "hands-off" Formosa policy.

Italian Cabinet Plans To Resign

ROME, Jan. 10.—(INS)—More than 3,000,000 members of the Communist-led Italian Labor Confederation struck today to protest the killing of six workmen yesterday in a clash with police at Modena.

In Modena, which was completely paralyzed by the general strike, nearly 100 Communist and Left-Wing Socialist deputies from all over Italy lead a massed protest meeting.

The workmen were killed in the northern industrial city when they tried to storm police headquarters.

Heavy police forces remained in command of the situation today and the ministry of interior said no incidents had been reported up to noon.

WAMPUM

P.T.A. TO MEET

The regular meeting of the local Parent Teachers Association will be held at 8 o'clock Thursday night in the school music room.

Dr. H. S. Gold, district dental officer, department of health, bureau of dentistry, will address the session and illustrate his lecture with movie slides. The program will be in charge of James Ferrante, member of the high school faculty.

Prior to the business session an executive committee meeting is scheduled for 7:30 p.m.

WAMPUM NOTES

Rev. and Mrs. Paul Aley of She-nango spent Sunday with the former's sister, Mrs. James Allen and his aunt, Mrs. L. E. Yoho.

Mrs. Sara Coulter was a New Castle visitor Saturday.

Mrs. L. E. Yoho of Clyde street, who has been quite ill at her home is some improved.

Legion Awaits Big Initiation Meeting

Western Vice Commander McCarty Will Pay First Visit To City This Evening

Perry S. Gaston Post, American Legion, will take over Cunningham Armory this evening, when the big initiation meeting, which the members have been looking forward to will take place. A large class of candidates will be obligated by the new degree team, Chairman Manning Weiler announces.

Western Vice Commander Warren C. McCarty, of Claysburg, is also looking forward to the meeting with great expectancy. This will be his first visit to New Castle. He will be introduced by Past District Commander A. Lewis Conn.

All members who have never been officially obligated will join with the new members secured this year, in taking the obligation, and a large class will thus be on

hand for this impressive degree, which will be exemplified by the new degree team of the post, under the direction of William Glitch.

The Armory will be open at 7 o'clock, and Legion officers will be on hand to greet all members. Those wishing transportation are asked to report at the Legion Home at 7:30 o'clock.

ALTAR ROSARY SOCIETY MEETING

On Wednesday evening, the Altar-Rosary society will have a meeting in the social rooms of St. Vitus church, at 8 p.m.

Mrs. Lena Cialella will have charge of this session.

ASSUMES DUTIES

Mrs. Leah Dietterle commenced her duties as secretary to Mayor John F. Haven yesterday.

She succeeded Mrs. Edna Reimold who resigned Saturday. Mrs. Dietterle was formerly employed as secretary to Joe D. Alexander, who was director of parks, property and purchasing agent.

Bevin Against Pacific Pact

Rules Out Pact At Conference Of Foreign Ministers In Colombo, Ceylon

COLOMBO, Ceylon, Jan. 10.—(INS)—British Foreign Secretary Bevin ruled out a Pacific Pact patterned on the North Atlantic Defense Treaty in his initial speech to the conference of Commonwealth Foreign Ministers.

Bevin said that circumstances in Asia do not favor such an agreement and the situation requires different remedies.

The British statesmen, who because of the state of his health was carried to the second floor conference room in a sedan chair, said that cooperation among interested powers is the right answer, not intervention by some powers in the affairs of others.

Bevin said that Asia is facing a crisis similar to that which confronted post-war Europe in 1946 and 1947, with the same elements of economic need and the threat of Communist encroachment.

Bevin said that Europe's crisis was largely met through cooperation of the western powers politically and economically and in the security field.

The conference assembled against a backdrop of upheaval and Communist advances in Asia. The delegates are believed to have decided upon a five-point agenda covering the international situation, Communism in China and a peace treaty with Japan.

Moscow radio described the meeting as "another measure intended to apply to the Pacific the aggressive policies being carried out under the Atlantic Pact."

Nurse In Berlin Under Arrest In 'Trunk Murders'

BERLIN, Jan. 10.—(INS)—West Berlin police announced the arrest of a 37-year-old jobless nurse for the suspected "trunk murders" of at least one man and a woman whose clothes she allegedly sold to support herself.

One trunk containing parts of a woman's body was found in a bombed-out building in the Soviet sector. The nurse was identified as Elizabeth Kusian.

Soviet police notified western authorities, who acting on their own suspicions of the nurse raided her apartment in the British sector, finding parts of a second body believed to be that of a man.

The suspicion of neighbors was aroused, authorities said, when the woman tried to peddle the man's clothing. She is unmarried and has no male relatives.

The newspaper Berlin Kurier speculated that the woman might be responsible for a number of similar unsolved murders. The bodies all were said to have been dissected with expert technique.

The nurse was handed over to Soviet sector police for questioning and will be returned to the British sector for trial.

GOV. DUFF URGES "DIMES" SUPPORT

HARRISBURG, Jan. 10.—(INS)—Gov. James H. Duff today urged Pennsylvanians to support the "March of Dimes" campaign to aid the National Foundation for Infantile Paralysis.

The drive opens January 10. "The March of Dimes campaign is unique among fund raising drives because through our contributions we can help accomplish so much with so little," the governor said.

EAST BROOK CHAPTER NOTES

The East Brook FFA members' attention is directed to the Pennsylvania farm show, which opened Monday in Harrisburg.

The chapter demonstration team composed of Roy Gordon, Volant R. D. 1, and Jim Anderson and Bob Fox, New Castle R. D. 5, is presenting a demonstration entitled "Keener Edges," which deals with sharpening tools, on Tuesday afternoon in the farm show building.

McConnell Wins

Keith McConnell, a junior at East Brook, won fourth place in the Pennsylvania Crop Improvement Association contest for the highest yield of corn from one acre.

The contest is divided into five regions representing the different growing seasons of the state and McConnell won in the area including Lawrence county.

An award was made to Keith at the farm show by state secretary of agriculture Miles Horst on Tuesday afternoon. McConnell's yield was 120 bushels of shelled corn per acre at 15 1/2 per cent moisture.

State Project Contest

Bob Fox won second place in the state in the junior broiler project contest. He will receive a gold award.

Bronze awards will be made to the following East Brook boys for outstanding achievements in their 1949 project in agricultural work: Keith McConnell, corn; Ben Fennick, strawberries; William Reeder, broilers.

New Projects

Seven of the East Brook FFA members are entering an acre of corn in the Pennsylvania Crop Improvement Association plan whereby a State College specialist will advise the boys on fertilizer requirements based on detailed soil tests of their fields and the boys will grow another acre according to the customary practice on their home farms.

The boys who have entered this contest are Terry McClelland and Larry Book, New Castle R. D. 4; Bob Reeder, New Castle R. D. 5; William Drake, Keith McConnell and Frank Telesz of Volant R. 3.

Seed Orders

Within a week the FFA members will begin taking vegetable seed orders for the spring planting season. The seeds the boys order will be varieties adapted to this community, treated for seed borne disease and germination tested.

Recent Activities

The FFA boys have recently sold the 300 broilers they raised as a group project and also completed a very successful Christmas card sale. The money earned from these activities is used to finance educational trips.

Howard F. Fox, agricultural teacher at East Brook, was elected president of the agricultural section of the vocational department of the Pennsylvania State Educational Association at their convention in December.

John Liggett, student teacher in agriculture at East Brook, from the Pennsylvania State college, has accepted a position at Townville, Crawford county, as the vocational agricultural teacher.

Stephen Dawson, also a student teacher at East Brook, is carrying on the agricultural work while Mr. Fox, the demonstration team.

Ray Gordon, Jim Anderson and Bob Fox, project winners, Keith McConnell and William Reeder, attend the farm show this week.

Officers of Chapter

Officers of East Brook chapter are: president, William Pontius; vice president, Bob Smith; secretary, Tom Jones; treasurer, Howard Schooley; sentinel, William Reeder; adviser, Howard F. Fox, and reporter, Robert Hawthorne.

Taft Criticizes State Department On Formosa Stand

Says State Department Determined That Chiang Government Be Wrecked

WASHINGTON, Jan. 10.—(INS)—Senate Republican Policy Chairman Taft, Ohio, has charged that the State department "is determined" that the Chinese Nationalist government of Chiang Kai-Shek "should be wrecked."

Taft said the United States should serve notice it wants Formosa to remain independent of Chinese Communists.

Sen. Douglas (D) Ill., who shared a television broadcast with Taft, contended that if the United States moved into Communist-threatened Formosa and a shooting war started, "then entire east might go up in flame and whole peoples driven to Communism."

Taft denied a bi-partisan foreign policy existed.

Experiment Kills Minister's Son

Bizarre Death Attributed To Knot-Tying And Holding Breath

Hobbies Of Youth

NEW YORK, Jan. 10.—(INS)—

The bizarre death of a 27-year-old minister's son in a harness of ropes—one of his hobbies was knot-tying—was under investigation today although temporarily listed as accidental.

Police said the man, Frederick Larsen, probably died in an experiment. The body was discovered in his Brooklyn room by his landlady, Bertha Eliason, who went to the room after failing to see him all day yesterday.

Larsen lay on his back on the floor, his knees doubled up and his

hands under his body. Each hand clutched ropes attached to each ankle. Another length of rope was looped around his neck, its free ends running down his back, then also attached to each ankle.

Peculiar Attire

Police were puzzled by his attire. He wore a gray and yellow sweat shirt, full-length black jersey gym trunks, blue bathing trunks and white sneakers. Two bathing caps were adjusted to his forehead and chin so they covered his entire face. On his head was a leather helmet such as football players wear, fastened by a strap under the chin.

Diaries dating back to 1946 carried entries about his knot experi-

ments and attempts to hold his breath. One told of his having held a tube in his mouth for two or three minutes, "but I had no success in holding the breath under water."

Another, dated last Saturday, said he had a mask over his face, "but the water was not on."

Councilmen Air Views On City Pension Plan

Councilman E. Gene Schweinsberg, during council meeting held in the city building Monday, offered a resolution directing that Council Bill 46, creating and Officers and Employees Retirement System, be repealed or amended, insofar as it relates to elected officials. The resolution failed to pass.

Council voted for Councilman Richard L. Davis' motion directing Solicitor Robert White to provide an opinion as to whether or not elimination of elected officials would knock out pensions for all members.

Schweinsberg's proposed resolution was seconded by Councilman Joseph F. Medure, whereupon Mr. Davis said:

"I did not vote for the retirement system. I was not a councilman at the time it passed. If the ordinance is repealed it will be repealed for everyone in it."

According to State Law the ordinance was patterned according to state law.

Davis added that if it were repealed, men who are now on city pension "will be left out in the cold."

Schweinsberg said:

"I cannot see that," stating his objection applied only to elected officials receiving benefits and adding that, according to his interpretation of the state law, any elected person who had a part in passing the retirement ordinance were serving their private interests and therefore should not share in the system's benefits.

Councilman Davis said the state law applied to both elected official and employee and there could be no discrimination and if the city law was repealed, it would eliminate the entire system.

"If you are not satisfied with it as it is, then it would have to be liquidated," Councilman Albert Hoyland informed Schweinsberg.

Councilman Medure said the resolution offered was not to liquidate the system. He said it was a matter for an official to decide whether or not to enroll in the system.

Ticklish Question
Solicitor Robert White said: "It is a ticklish question and I would prefer to give council a written opinion. The pension system is prescribed by Act of Assembly. The Legislature has said what you can and cannot do. It is a matter for the court to decide if you divest one's interest. I understand Mr. Schweinsberg would like to eliminate elected officials."

He said it was a question whether you can write an ordinance which does not conform to the state law.

"As far as I am concerned, the system was immaterial to me, but I am in it and not in it for selfish purposes," said Mayor Haven, adding:

"Mr. Medure likes his pension. He is to receive \$100 a month at the mill. Federal employees, judges and others get pensions, but it is deemed wrong for city employees to receive pensions."

"The CIO has gone over the country and procured \$100 per month pensions, yet they pay nothing. If it is alright for you, why not them?" the mayor inquired of Mr. Medure.

Matter of 'Pay Increase'
Medure said the pension plan

was a matter of an 'increase in pay.'

"They did not say it was a raise," the mayor broke in.

Medure said there were strings attached to it and inferred it was a step toward social security and that the plan provided pensions for anyone at work 20 continuous years, but he loses it when dropped.

"We did not ask for the pension plan at the United Engineering but we got what steel got. As for the United employees, they are against it."

"Because of the stipulations?" inquired the mayor.

Medure explained he is not opposed to city employees drawing pensions.

Schweinsberg interrupted to reiterate Medure's position and stated:

"Take Court Order"
"It may take a court order to straighten it out." He said it is his understanding that when council voted for the system they voted for their private interests, which means added revenue at a later date.

"The legislature did not say that when it set up the law."

Councilman Davis turned to Medure and Schweinsberg and said:

"I believe you are inconsistent. When we voted for the budget you voted for the budget which contains \$15,200 for pensions. If you are opposed to the pension why didn't you vote against the budget?"

"I grant you that but I wanted to give it more study," said Schweinsberg.

Solicitor White remarked: "If Mr. Schweinsberg wants me to I'll draw up an ordinance he can introduce. However, I question whether it would be valid."

Way to Challenge
He said the only way to challenge the system is to challenge it in court and if an ordinance such as Schweinsberg proposed was passed, it can be attacked because it fails to comply with state law.

"I would advise against passing such an ordinance," he said.

Medure offered a motion that Mr. White prepare such an ordinance eliminating elected officials.

State Assistance Per Capita Rate Has Low Average

Social Security Administration Survey Reveals 30 States Spend More Per Person

HARRISBURG, Jan. 10.—(INS)—The State Department of Public Assistance, with a relief burden topping the 400,000-person mark, today said Pennsylvania's per capita costs were 20 per cent below the national average.

The report was based on a National Social Security Administration survey for the fiscal year ended June 30, 1949, according to the department.

"In the past fiscal year," said a DPA announcement, "expenditures for aid to Pennsylvania's needy people represented a cost of \$10.78 per inhabitant of the state as compared with \$13.38 for the nation as a whole."

Thirty other states spent more per capita for assistance than Pennsylvania while Colorado spent four times as much and California Missouri and Massachusetts twice as much.

The department pointed out that no local taxes are used to support the state's relief program, a situation existing only in Pennsylvania, Utah, Arizona and Arkansas.

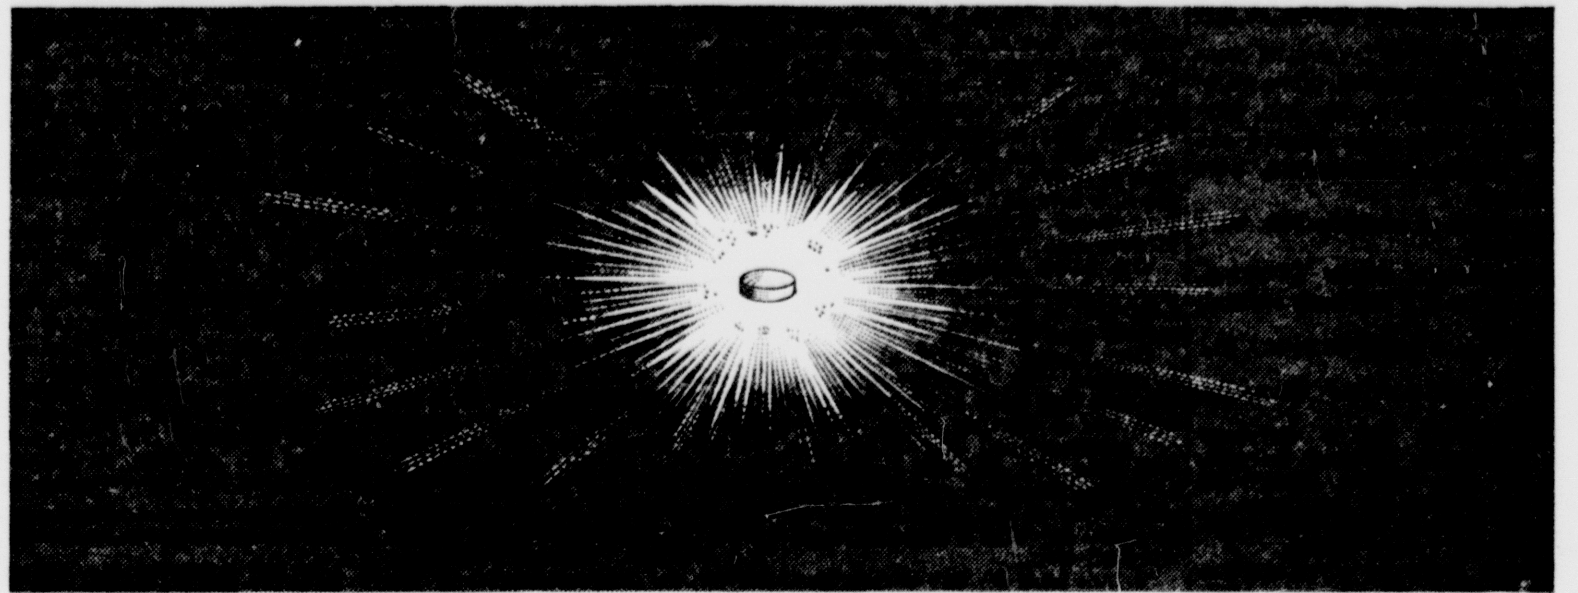

"Four fifths of Pennsylvania's per capita total of \$10.78 was spent for aid to the aged, the blind, children deprived of normal parental support and the needed mothers or other relatives taking care of the children," the DPA reported.

"Only one fifth was spent for general assistance, which covers not only the unemployed but also those physically handicapped persons who are unable to support themselves but are ineligible for one of the other types of assistance."

Per capita costs in adjacent states, according to the DPA, were: New York, \$13.55; Ohio, \$11.94; West Virginia, \$6.55; Maryland, \$5.91; New Jersey, \$4.73; and Delaware, \$4.48.

Payments Made Of Bills By City

Council Meeting On Monday Transacts Considerable Routine Business

SLEDDING 'HORSES' MUST BE REMOVED

Pay day arrived for several companies and contractors when council met Monday in city hall. Several ordinances were adopted and minor business transactions were executed.

Payments of monthly bills were as follows:

Pennsylvania Power Company, street lights and buildings current, \$5,651.39.

New Castle Water Company, \$1,048.30.

Bell Telephone Company, \$620.68.

Pennsylvania Power Company for Christmas lighting current, \$467.94.

The G.N.C.A. merchants paid for putting up the lights.

Harry Doherty Sons, city building sub-contractors, \$1,350.

Duncan Parking Meter Company for meters bought last year, \$680.

New Castle Duffie Company, \$1,857.50 for improving the new city building driveway and parking area in the rear of the building.

Andrew Pfeiffer's Company, \$867.51 for sidewalks around the city hall.

MUST REMOVE 'HORSES'

Property Director Joseph F. Medure informed council he had ordered that "horses" or barricades to protect sled riders, in the future must be put out when snow falls and removed after sled riding is over. They have been allowed to remain along the curbs and on people's property, it was reported.

PAY FOR IMPROVEMENT

One ordinance provides that the city grant authority to the state to improve Butler avenue. The city will pay for curbs and drains for a short distance in Butler avenue, which is part of Route 422, which the state intends to improve.

Another ordinance establishes a block in the Addis, Jackson avenue Syling and Castle street area as a local business zone. It has been a B residential zone. This will per-

mit the erection of a store in the district.

An ordinance adopted gives the chief of police control of vehicular traffic in the city and grants him authority to establish parking zones.

GOLF PETITION FILED

A petition, signed voluminously, was presented to council which recommends retention by the city of Sylvan Heights Golf Course. It said that to dispose of it would be a backward step. It was filed by unanimous vote, offered by Councilman Hoyland and seconded by Councilman Davis.

HOSE AWARDS MADE

American LaFrance Foamite Company, Elmira, N. Y., Jack Potter, representative, received fire hose awards from council, as did the Allen Hose Company, Chicago, Francis Gray, representative.

The vote on the American LaFrance award of 3,000 feet of 2½ inch hose at \$1.36 per foot, was four to one, Councilman Joseph F. Medure cast a negative ballot.

The Allen company award was unanimous and will sell the city 1,000 feet of 1½ inch hose at a bid of 81½ cents per foot.

The Councilman Richard I. Davis submitted the recommendations. He said that hose at 95 cents per foot was a cheaper grade, hence he recommended the \$1.36 per foot kind. He said the fire chief and councilman committee of the whole was of the opinion that it be voted for with a favorable recommendation.

"I was busy on the streets and was not in committee meeting," said Councilman E. Gene Schweinsberg. "Does the city receive a discount with the purchase?"

Representative Jack Potter replied, "Two per cent if paid in 30 days."

On the roll call to purchase the hose, Mr. Medure voted "No" on the American LaFrance award.

It was then explained by the mayor and Mr. Davis that the B. F. Goodrich company, represented by Edward McConahy in present-ing the bid, had not named one kind of hose it offered for sale to the city and therefore they could not accept it.

Councilman Davis said the hose awards made were both low on the kind of hose desired by the city.

Railroad Crossing Deaths Take Drop

HARRISBURG, Jan. 10.—(INS)—The Public Utility Commission revealed Monday that accident deaths at railroad grade crossings in Pennsylvania have dropped 74 per cent since 1928.

Fifty one persons were killed at grade crossings in this state last year, while 198 were killed in 1928.

The commission credited the record to a reduction in number of grade crossings from 12,081 to 10,899. Installation of flashing light signals at 744 other crossings during the past 22 years also was instrumental, the PUC added.

Holy Trinity Church Has Annual Meeting

Committee For 1950 Is Elected: Splendid Financial Report: 25 Families Added To Church

In the auditorium of the Holy Trinity Polish National Catholic church the annual meeting was held on Sunday, following high mass.

Over 100 members of the parish were in attendance, and the following committee was elected for the year 1950: Joseph Krok, president; Ernest Kwiat, vice president; Bernie Kazinski, recording secretary; Stanley Kieler, financial secretary; Cecelia Potoczny, treasurer; Alfred Schultz, Nick Kendra and Stanley Bonk, trustees; B. Kleban and John Pastucha, ushers; Adolf Jermakowicz, B. Zapasnik and W. Gryczuk, advisory committee; Mary Koszela, Emilia Kieler, B. Kazinski and S. Bonk, collection department.

The meeting was opened with prayer by Rev. E. C. Kuzminski, pastor of the church. The financial report showed a very successful year; 25 new families were accepted into the church during the past year. Rev. Fr. Kuzminski gave a report on the eighth General Synod of the church, held in last September in Scranton, in which he represented the parish as a delegate. Several new plans calling for improvements at the church, and the parish cemetery, were approved by the parishioners present.

The parish committee and Rev. Kuzminski were given a standing vote of thanks and appreciation for the fine work accomplished in 1949, by all the members present.

Blue Cross Head Resigns His Post

Head Of Commission Which Founded Hospital Insurance To Head College Of Surgeons

CHICAGO, Jan. 10.—Dr. Paul R. Hawley has resigned his position as the chief executive officer of the Blue Cross and Blue Cross Shield Commissions to become director of the American College of Surgeons, effective March 1. He will retain the presidency of Blue Cross' Health Service, Inc., which was chartered in Illinois in November as a national insurance company designed to offer uniform benefits to employees of large industrial and business organizations operating in the areas of several of the 90 Blue Cross plans.

"The principal reason for my acceptance of this new position," said Dr. Hawley today, "is the growing necessity for even closer association of the voluntary non-profit plans for meeting the costs of medical and hospital care with the producers of these services."

A director of the American College of Surgeons, Dr. Hawley will succeed Dr. Malcolm T. MacEachern who, as director emeritus, will

direct his major attention to continued supervision of the program of hospital standardization.

FLAMES DESTROY JOHNSTOWN HANGAR

JOHNSTOWN, Pa., Jan. 10.—(INS)—The main hangar at the Johnstown Municipal Airport and 16 airplanes were destroyed by fire Monday.

Loss was estimated at about \$65,000 by Martin Gracey, airport manager. He said the fire may have started from a short circuit in one of the planes stored in the hangar.

Six of the planes were privately owned, eight were airport property and two were in for repairs.

The mechanics school of the airport was quartered in one end of the hangar.

Vet Students May Change Leave Time For More Training

New Castle Veterans Administration officials today explained provisions allowing veterans in colleges and universities under the GI bill to trade leave time, previously taken, for additional entitlement for education.

They may do this, VA explained, by refunding subsistence allowances paid them by VA for periods of automatic end-of-term leave. They then will be credited with an equivalent amount of GI bill entitlement.

By making the refunds, VA said, a number of veterans nearing the end of their entitlement time may be able to complete a term, quarter or semester at government expense.

New Wilmington Rotary Club Has Dinner Meeting

New Wilmington Rotary club held its regular weekly dinner meeting Monday evening in a New Wilmington dining room.

President Ross Ellis gave a report on the district meeting at Slippery Rock last week and the club discussed the Rotary Fellowship which is a program of the National Rotary club to send a student to England for studies.

John McClure of New Wilmington, a Westminster college student, has been submitted as the candidate of the New Wilmington club. It was announced by Walt Whitman, chairman of the fellowship committee.

The program, which was in the form of a historical question bee about United States presidents, was taken over by Ross Ellis, in the absence of Roy Burnside, program chairman.

Absentees were Roy Burnside, Paul Quimbly, Moreland Thompson, Norman Igo and Jerome Daugherty. Norman Igo is on vacation in South America.

All meetings after next week's will be held in the First U.P. church. It is announced.

VENTILATION GOES WITH INSULATION

Proper ventilation of dairy barns and poultry houses removes odors and moisture, through an exchange of air. In buildings cooled by too much radiation of heat through walls and windows, the necessary ventilation may result in rapid and extreme changes in temperature.

Insulation reduces heat loss, but this is not a cure for moisture, nor does it prevent condensation, and so ventilation is a necessity. Holding the animal heat by means of insulation, and keeping a favorable temperature differential between indoors and outdoors makes animals and birds more comfortable. They stay healthier and less air is needed to carry off humidity.

PHENOTHIAZINE MUST BE GIVEN REGULARLY

Use of phenothiazine for control of internal parasites in sheep, as has been advocated for a number of years, must be without interruption for best results.

When the program has been interrupted, it is not enough to return the sheep to the free-choice medication as soon as the parasites again are evident. Instead, curative doses must be combined with the free choice system—in other words, it is necessary to start where the original treatment began.

A phenothiazine drench when the flock goes on pasture in the spring and as it goes into winter quarters, in addition to the free-choice treatment is recommended.

The first ironworks in America was located on the banks of Falling Creek, Va., and the first object made there was a cooking pot.

"Assignment; America"

By INEZ ROBB

(Reg U. S. Pat. Off.)

(Distributed By International News Service)

NEW YORK, Jan. 10.—(INS)—There'll be pie in the sky, by and by.

There's a great day coming around 2000 A.D., says President Truman, when our national income will hit the trillion mark and, obviously, Republicans will be no more!

Happy days will be here permanently in another fifty years when Mr. Truman envisions the average national family income as \$12,000 and the Jones struggling to keep up with the Democrats.

Hallelujah! Happy land, where ever prospect pleases and only the skeptic is vile.

Inflation? Honey, you ain't seen nothing yet! But as I am a girl who hates to be out of step with the times, I am already tuning my ear and my financial sensibilities for the lush days ahead. It may be later than we think, and when the ten strike comes I want to be psychologically prepared for the best.

Around 2000 A.D. Let us peek into the average American household, come 2000 A.D. and get a load of the family conversation as mummy and daddy, junior and sis, sit around the solid gold drop-leaf table and cut up tricks.

Junior: Ma, Ma, gimme \$5 for an ice cream cone. Please Ma, woncha, ma?

Mummy, sternly: "What did you do with that C-note I gave you yesterday?"

Junior, defensively: "Well, gee whiz! You can't expect me to stretch a 'I'll ol' hundred dollars forever and ever, can ya?"

Daddy, getting a word in edgewise: "So he offered me \$10,210 trade-in on the old car. And I says to him, 'Look, Mack, you trying to be funny? This car's only gone 24,000 miles and I paid you \$23,399 for it only 18 months ago.' But he says 'So what? I can get plenty of those four-cylinder jobs on a \$10,000 trade-in.'"

Sis: "Oh! It's time for 'Stop the nonsense!'"

She fiddles the dials of the \$15,000 tele-radio-vision set and tunes in just as the announcer is saying "And now, ladies and gentlemen of the Video-Audio-Dough-Di-O-Dough audience, 'Stop the Nonsense' is once more on the air, offering the chance of a lifetime to the lucky contestant who can spell his name and thus get a chance at the giant jackpot now totalling \$7,259,473,843."

What's So Silly?

Mummy, sniffing contemptuously: "What's so big about that?"

Why, only last week that silly woman who lives next to Aunt Emma won \$13,492,651,000 on 'The Take It or Leave It at Fort Knox' program."

Daddy: "The funniest thing happened to me as I was going back to the office after luncheon today. A bum stopped me and said 'Brother, can you spare a dollar for a cuppa coffee?' And I said to him, 'You show me where you can get a cup of coffee for a dollar, Bud, and I'll blow us both to a cup.' He musta been drunk or crazy."

Sis, pouting: "Daddy, why can't I have a pink mink coat? All the other girls have pink minks. Honest, daddy, I'm ashamed to be seen in that ol' green mink."

Daddy: "Dammit, do you kids think I'm made of money? I paid \$28,000 for that green mink last winter and you promised to be a good girl and wear it three winters before asking for another."

Sis: "But, Daddy, I saw a pink mink on sale today. Only \$32,000. Please, Daddy, please!"

Daddy, sulking: "All right, all right, I'll think about it. But I slave away for a pittance at the factory and if I get a cheap \$565 blue serge suit once a year I'm lucky!"

Daddy lowers his head and looks suspiciously at his wife. He asks: "Isn't that a new dress you're wearing?"

Mummy, airily: "Darling, it's nothing! Just a little something for the kitchen I picked up in Macy's basement today. Marked down to \$395. A steal!"

Daddy groans, and says: "Ahee, I told you we'd have to lie low this month. I haven't even paid last month's grocery bill!"

Mummy, in tears: "Can I help it if prime ribs are \$12 a pound?"

Well, there it is, the brave new trillion dollar world of 2000 A.D. Take it away, friends, and let us all join in the chorus of that popular song "Come the Revolution, You'll Eat Strawberries and Like it."

PARIS PRESS BOWS
PARIS—French provincial newspapers are stealing away the circulation of the big Paris dailies, according to figures compiled by the French Press Federation. Latest estimates show the provincial press has about 7,000,000 readers, while the Paris press has only 3,800,000 readers. Before the war Paris newspapers sold about the same number of copies as those of the provinces combined.

Seventh Ward
Initial Fun-Night
At Mahoning School

Council Chosen To Direct 1950
Activities: Basketball Team
To Play Farrell Juniors

At Mahoning school, Friday evening, was the initial fun-night of the year. Two pupils from each of the classes seven, eight, and nine have been chosen as the council in charge, with Miss Alberta Hollingsworth, ninth grade president elected chairman of fun-night council, and will direct the activities for this year. The council will meet regularly every Monday afternoon at 4 o'clock, at the school.

Fun-night is sponsored by the Seventh Ward Civic club, and the 1937 club has caperons at every meeting. Principal Fred McLure and some of the teachers, are usually at these meetings. Mahoning school basketball team will journey to Farrell this afternoon, for a game with the Farrell junior high team. It is expected to be a hard fought game. Rees Flannery is coach. Farrell Juniors were winners in this section last year.

P.T.A. Group Will
Meet This Evening

This evening, the Parent-Teachers Association of Mahoning school, will meet at 7:45 instead of 8 o'clock, in the auditorium of the school, with Mrs. Joseph Zumpella presiding.

Mrs. Marge Freeman, program chairman will present an interesting program, and there will be a talk by Mrs. Thelma Boyd, public school nurse. A panel discussion will be conducted by teachers Miss Helen McQueen, Mrs. Florence Marshall and Rees Flannery.

Request Payment Of

Bridge Club Plans
Grove City Meeting

At the home of Mrs. Paul Humphrey of 311 North Liberty street, members of the Bridge club were entertained during the week-end. Various games of contest were the evening pastime, with Mrs. Frank Doyle, main winner, and Mrs. Blanche Hadley getting the gallows.

A delicious chicken dinner, with all the trimmings, was served by the hostess, assisted by Mrs. Blanche Hadley.

Next meeting of the group will be with Mrs. Blanche Hadley of Grove City, on Thursday afternoon.

Victory Club With
Mrs. Frank Calvert

Mrs. Frank Calvert of 505 North Liberty street, was hostess to the Victory club at her home, recently.

Various games of contest were the diversions of the evening, with prizes being captured by Mrs. Mary Cox, Mrs. Margaret Rees, Mrs. Frank Kelly and Mrs. Carrie Calvert.

The hostess served a tasty lunch, assisted by Mrs. Harvey Dungan and Mrs. Charles Dungan. Next meeting of the group is scheduled for January 25, at home of Mrs. Mary Cox of Meyer avenue.

Columbus Auxiliary
To Meet Wednesday

At 7 o'clock Wednesday evening there will be a meeting of Columbus Auxiliary in Christopher Columbus hall. There will be installation of officers for the year 1950. Refreshments will be served.

Officers are requested to be at the hall at 6 o'clock, prior to the regular meeting. Mrs. Mary Iovanna, president.

SEVENTH WARD NOTES

This evening Congregational meeting at Mahoningtown Presbyterian church, at 8 o'clock.

At Madison Avenue Christian church, the Ladies' Aid society will meet Wednesday afternoon at 1:30.

Covert Tindall, Jr., of New Brighton, visited Sunday, with his grandmother, Mrs. M. M. Tindall and family, of Willow Grove.

Bert Calvert, S. I.-c, has returned to Green Cove Springs, Fla., after spending ten days leave, visiting with his parents, Mr. and Mrs. Frank Calvert of 505 North Liberty street. He is attached to a P-38, and has been in the service almost two years.

The cocktail is supposed to have been invented by Elizabeth Flanagan, widow of an Irish soldier who was killed in the service of his country. In 1779 she set up a hotel where she sold cocktails.

Highland Union

Miss Leonore Gealy was co-hostess when Mrs. Howard Gardner of 417 Boyles avenue entertained the Highland WCTU at her home. Mrs. J. C. Hanley and Mrs. W. E. Withers were special guests.

Mrs. Willis Alben led devotions, her theme being "Peace". Mrs. Alben also read "Meditations, My High Resolve" and "Through Peace to Light", a poem. Prayer was offered by Mrs. Abram Shaffer.

Using "Through Prayer and Better Legislation" as her theme, Mrs. Charles Dodson, leader, issued a call to prayer toward the hearings on the Langer and Bryson bills to be held on January 11 and 12. She also quoted from Rev. S. Rankin's sermon on "Communism and Drink".

Mrs. John Haven spoke on "Drink Goes to College". Mrs. Dodson reviewed "Our Liquor-Soaked Movies", an article by Jimmy Fiddler, Hollywood columnist. Miss Harriet Smith stated that Washington, D. C., is the cocktail capital of the world and that the

diplomats were very shocked and surprised when Nehru of India and his sister served only fruit juices when they entertained the diplomatic circles on their recent visits to Washington.

Mrs. Dale Marburger, having resided in Washington for six years, contributed a number of interesting facts about the alcohol-soaked city.

Mrs. Thomas Lindsey, vice-president, presided at the business session. Miss Mary Pattison asked members to contribute various articles for the handicapped veterans. Scrap-books are needed. Sunshine envelopes, filled with clippings of jokes, cartoons or small interesting clippings will also be appreciated. Crocheted or knit afghans, 40 by 50 inches, or lap robes the same size may be made from woolen patches.

Mrs. Walter Payne and Mrs. Charles Miller reported that they assisted at a children's Christmas party at the Neighborhood House. Members will write letter of protest to Henry R. Luce, 9 Rockefeller Plaza, New York City 20,

N. Y., protesting the liquor advertising in "Time", "Life" and "Fortune" magazines. Copies of the letters are to be sent to H. R. Martin, 209 Ninth street, Pittsburgh 22, Pa.

The yearly Loyalty Luncheon will be held January 12 at First Christian church at 12:30 p. m., when Dr. Addison Leitch will speak.

Mrs. J. C. Hanley offered the closing prayer. The hostesses served a tasty lunch.

Mrs. John McGrath, 426 Laurel boulevard, will entertain at her home Thursday, February 2, when Mrs. E. F. Toepfer will be co-hostess.

Energy

Energy W.C.T.U. will meet Wednesday, January 11 at 2 p. m. at the home of Mrs. M. B. Hogue, with Mrs. Belle Gibson in charge.

Court Room Number Two
Transferred To 2nd U.P.
Church For Second
Time

OTHER EVENTS
IN COURT HOUSE

For the second time in a month, the Second United Presbyterian church becomes a court room this week. Because Court Room No. 2 is still not ready for use, the cases scheduled for court room No. 2 have been transferred to the church. A week of criminal court was held there in December.

Civil court opened Monday morning with the first case being settled by a directed verdict. The case was that of the Citizens' Lumber Company against Harry Henon for merchandise purchased.

The two sides agreed upon a verdict of \$610.25 and Judge W. Walter Braham directed the jury to return a verdict in that amount. The case of John G. Devin, administrator in the estate of a minor, Richard Devin, against W. Bruce Wallace was taken up. Mr. Devin seeks damages for the death of his 13-year-old son, who, it is claimed, was hit by the car of the defendant on March 11, 1949, in Little Beaver township.

Before Judge John G. Lamoree in the church Sunday school room the case of Demetrios Proios versus Mary Thomas was called for trial. The plaintiff claims the defendant entered the Rex Cafe after it had been padlocked and removed bar equipment on a rent claim.

WOULD ABOLISH "J. P.'S."

Careful scrutiny of the Justice of the Peace system in Pennsylvania is promised by the State Bar Association.

At the convention of the bar held in Harrisburg last week, Judge W. Walter Braham, chairman of the Committee on Constitutional Revision, made his report to the convention and said that the matter of abolishing justices of the peace had come in for consideration.

"We know we must tread lightly upon this subject," said he to the members present. "The justices of the peace are dear to the hearts of the people."

Chief Justice Arthur T. Vandenberg of the New Jersey State Supreme Court said the office should be abolished.

Other reforms considered by the committee included the elimination of the provision that each bill coming before the General Assembly should be read three times in full. Put all appropriations into one measure instead of appropriating by separate bills for the various recipients. Consolidation of the many courts into a "high court of adjudication." Reversals of the "splintering process," by which administrative law—government by boards and commissions—is whittling down the powers of the constitutional court.

NO SOAP IN THEIR EYES

Many a mother has found the shampooing of a young child's hair a major undertaking. The struggling that often goes on, the soap that inadvertently gets in eyes—indeed, the whole process is one that she gladly would avoid if it were possible.

Here are a few concrete hints that have proved helpful in a number of families. First, it pays to get a child's co-operation through giving him rein in deciding just how things are to be done and in letting him help as much as possible. If the youngster is under four or five, it's a good idea to use the shower rather than the wash basin. Mom and Dad can get right in with him and give a helping hand. A good way is to hold him in one's arms so that he faces the grownup. Then by getting him to tip his head backward just a bit, his hair can be thoroughly wet without getting water in his face.

At this point either soap or even better, a cream shampoo which takes almost no time to work into a lather is applied. The youngster can have fun at this point by moulding his soap-filled hair into various shapes.

Then comes the rinsing process which is carried out in the same manner as the hair wetting. If he wishes, let the child put a dry

Personal
To Women With
Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Five Persons Held
By Finnish Police
On Russian Charges

Many Others Held On Moscow
Charges Of Being War
Criminals Released

HELSINKI, Jan. 10.—(INS)—Finnish police held five persons under arrest Monday, rounded up on charges by Moscow that they were anti-Russian war criminals.

Many others detained on similar charges were released after questioning. One 26-year-old woman committed suicide after her arrest.

Another woman took her own life last week when the Russians demands the return of 300 Soviet citizens to stand trial.

Most of those wanted by the Russians are refugees from Estonia, Lithuania and Latvia who fled those countries when they were taken over by the Russians.

Diplomatic observers believe many of the 300 will escape being returned to Russia, where some face possible death, because they have acquired Finnish citizenship.

Although Russia regards the accused as Soviet citizens, they are now protected by the Finnish constitution which does not allow Finnish subjects to be deported and tried by foreign powers.

**Hadsell Tells
Rotary Of Japan**

Past President Of Rotary
Shows Films Made On
Recent Trip To Orient

**JAPAN LACKING
IN RESOURCES**

New Castle Rotary club members shared the recent trip made by their Past President H. C. Hadsell, works manager of the E. I. du Pont de Nemours and Co. at their luncheon meeting, Monday noon in The Castleton. When Mr. Hadsell showed several reels of films which were taken during his visit there last summer.

Mr. Hadsell was chosen by the du Pont company to go to Japan at the request of General McArthur, to improve their production of sulphuric acid badly needed in the manufacture of ammonium sulphate for fertilizer. As a result of his visit, production in this vital industry has been stepped up about 15 per cent, Mr. Hadsell stated.

Lacks Resources

Japan, Mr. Hadsell stated, is lacking in coal, iron, limestone, and other vital resources needed in manufacturing, but does possess large quantities of copper and zinc.

Japan's production of sulphuric acid comes from pyrite ore, which contains a low grade of sulphur, and hence the production is not on a high level as in this country. Mr. Hadsell was able to speed up the process of roasting the ore.

Japan's steel mills are most modern, he stated, but many other industries are away behind the times in their production methods.

The one film, which carried a narration with it, depicted the scenic beauty of Japan, while the other films, which were in color, showed some of the industries, and the ascent of Mt. Fujiyama, a geisha dance, and other interesting subjects.

The pictures were taken by Mr. Hadsell's secretary, Charley Alley, a native Japanese, and were splendid views.

The club hopes to have Mr. Hadsell speak further on Japan, as the time allotted did not enable him to cover many points.

Although television sets of direct view put the picture on the flat end of a cone-shaped tube, it still is called a "screen".

Harold Philpot, new program chairman for 1950, has arranged a program which will be of interest to all members for this week's presentation. This will be a motion picture of scientific and educational interest.

Plans are now being made for the observance of two big events in Kiwanis history, which occur this month. The first is the 35th anniversary of Kiwanis International, and the second is the 30th anniversary of the founding of New Castle Kiwanis. Both will be celebrated on Tuesday evening, January 24, in The Castleton. This will be a ladies' night program, and something worthwhile is being arranged.

Divorce In Mexico**

CUERNAVACA, Mexico, Jan. 10.—(INS)—Actress Faye Emerson Roosevelt, smiling and apparently happy about the whole thing, filed suit in Cuernavaca yesterday for a "quickie" divorce from husband Elliott.

Miss Emerson and her attorney, Francisco Lopez Figueroa, showed up at a tiny courtroom of Judge Alfonso Roqueni in the state penitentiary and it took just seven minutes to file the necessary petition.

The divorce could be granted in three days, but Figueroa said he wanted to avoid any possible contest, so the final decree may take a little longer. Elliott is scheduled to be notified of the petition today by the judge.

The total court cost of the divorce—exclusive of attorney fees—was \$12.13.

**Sen. Ferguson Is
Enlightened On
Far East Situation**

WASHINGTON, Jan. 10.—(INS)—Sen. Ferguson (R. Mich.), conferred with President Truman and Secretary of State Acheson Monday on the Far Eastern situation and said later he had been "enlightened."

Ferguson talked with the president and Acheson at the White House for nearly three quarters of an hour concerning the administration's decision not to send arms aid to Chinese Nationalists on Formosa.

The senator said that his views concerning foreign policy "have not changed," but he said:

"I have been enlightened. I hope that things can be worked out so that bipartisan foreign policy will be continued."

**Pulaski P.T.A. Will

**Sensational Advances
In Medicine Expected**

By ROBERT N. SCHWARTZ
(U.S. Staff Correspondent)

CHICAGO, Jan. 10.—Sensational medical advances of the past half century will be overshadowed by those on the horizon for the next 50 years.

That prediction was made in an editorial in the current issue of the Journal of the American Medical Association.

Cancer, epidemic polio, arthritis and the degenerative diseases—those associated with old age such as arteriosclerosis—and some diseases of the nervous system, said the Journal, may be conquered "in the comparatively near future."

Said the editorial:
"In the year 2000 A. D., new treatments, new preventive measures and new diagnostic procedures will render obsolete some of our present approaches to health problems."

"Many of the diseases not now susceptible to satisfactory medical control unquestionably will be treated successfully—or prevented."

The editorial, however, did not name any other diseases which it thought would conquer during the next half century.

The AMA editorial asserted that advances made during the past half century "offer convincing evidence of what can be done when competent researchers can work with freedom, facilities and funds."

It added:
"Never in the recorded medical

history of the world have there been so many inspiring discoveries, the importance of which has started at times entire nations."

"While fundamental discoveries have been made by researchers throughout the world, the practical application of these discoveries, especially during the last two decades, has been effected particularly in the United States."

In a quick look back over medical history since the end of the gay—albeit unsanitary—90s, the editorial lingered over these high spots:

Common Occurrences

"Operations formerly undreamed of are now everyday occurrences. Isotopes and beta-rays have become part of the medical language. Insulin, vitamins, sulfanilamides and penicillin are only a few of the outstanding discoveries in the drug field."

The editorial emphasized that some of these discoveries and new techniques are of very recent origin and added:

"One of the frequently overlooked aspects of these modern

medical miracles is . . . the speed with which these discoveries were put into practical use."

In an oblique slap at the proposed National Health Insurance Bill—which the AMA has asserted will stifle medical freedom—the editorial stated:

"In the United States today it is still possible to engage in research without political interference, although from time to time there are attempts to introduce measures which would remove in time all barriers to the political control of research . . ."

Accuse Lewis Of Taking Over Congress Power

(BULLETIN)
WASHINGTON, Jan. 10.—(INS)—The Senate Banking Committee today accused United Mine Workers' Chief John L. Lewis of taking over the power of Congress to legislate on production and price controls.

The committee made the statement in a unanimous report on an investigation of "the economic power of labor organizations." It suggested that the judiciary committee "study and consider" a possible revision of anti-trust laws to make them applicable to labor unions.

Although the report recommended no specific recommendations it stated that "no one can doubt" an anti-monopoly law for labor would break Lewis' hold on the coal industry and end the mine slowdown.

In caustic terms, the committee accused Lewis and his union of usurping congressional powers. It declared:

Will Quickly Spread
"If this usurpation and abuse of the power to control production and price is tolerated by the Congress, its unbridled use will quickly spread from union to union, from industry to industry, and the Congress will never regain its own narrowly-circumscribed power to control the economy of the nation consistently with the constitution of the United States."

The report, which was drafted by Sen. Robertson (D., Va.), contained a bitter denunciation of the "disastrous effects" of the present three-day work week on prices, production, banking, credit and other segments of the national economy.

Sen. Robertson said that he would draft a bill to amend anti-trust laws to include labor unions "in national industries essential to the public health and welfare" when they take actions to control prices or production.

Firemen Answer Two Calls Monday

Firemen received two calls for assistance Monday afternoon, no fires occurring in either instance, Fire Chief H. F. Steinbrink reported.

Fourth ward firemen were called to the home of W. F. Johnson, 812 Butler avenue, when a short occurred in an ironing cord.

Box 74 was sounded when someone reported smoke coming from the home of John Marchand, 1015 N. Liberty street. There was no one at home and a passerby noticed smoke coming from the house. It was found to come from a stove on which the damper had been closed.

Stamp Club News

New Castle Stamp club will meet Thursday evening at 8, at the Y.M.C.A.

President John Hitch will open the meeting, and then turn it over to Stanley Tresser and John Wilson who are in charge of the programs for the meetings for the month of January.

The club is looking forward to another successful year and invites anybody interested in the hobby of collecting stamps to come to the meetings. At the close of the meeting there will be a door prize.

SIX ARE ARRESTED

Frank Call and five other men were arrested by Policemen Goodman, Weiss and H. L. Richards at 12:25 a. m. today for allegedly violating the city's gaming ordinance in a poolroom at 459 East Washington street.

The police allege they were playing cards in a rear room. The police confiscated \$29.90, which was on the table, cards and poker chips, they report.

Call was said to have been in charge of the poolroom.

Call put up \$50, as a forfeit and each of the other defendants put up \$10, each, for a police court hearing.

They have 10 days in which to appear.

Dunlap To Quit On January 15

HARRISBURG, Jan. 10.—(INS)—Jack C. Dunlap, assistant superintendent of the state reformatory at Morgantown, asked Welfare Secretary William C. Brown to relieve him of duties January 15.

Morgantown is under investigation by the state welfare department and a penologist will survey the school and recommend changes.

Dunlap said he submitted reasons for his resignation but won't reveal them until they are officially acted upon.

A copy of the notification also was sent to Garfield A. McDowell, of Greensburg, chairman of the board of trustees.

He was appointed to Morgantown April 1, 1949. He will become superintendent of the Boys Industrial school at Oaksdale.

Italian Strike Is Protest Against Police Slayings

ROME, Jan. 10.—(INS)—Preparations for the resignation of the Italian cabinet were made by Premier Alcide de Gasperi today in the midst of a strike of three million members of communist-led groups inside the Italian Labor Federation.

The strike was called to protest the killing of six workers yesterday in a clash with police at Modena.

De Gasperi is expected to resign Thursday or Friday in a move to reorganize and broaden the government.

Confirmation Of Admiral Sherman Not Acted Upon

WASHINGTON, Jan. 10.—(INS)—The Senate Armed Services Committee today delayed action on the nomination of Adm. Forrest P. Sherman as chief of naval operations and moved toward a possible new inquiry of the unification row.

At the request of Sen. Knowland (R., Calif.), the committee voted to postpone a vote on Sherman's confirmation until Thursday of next week.

Knowland said he requested the delay so he could gather "additional information" on Sherman's qualifications to succeed Adm. Louis Denfeld in the high navy post.

JEAN ANN FENATI WEDS FRANK G. RULE

Mr. and Mrs. Frank Glenn Rule are honeymooning in the state of Washington following their marriage on Saturday, January 7, in Wallace chapel of Westminster college, New Wilmington.

The bride is the former Jean Ann Fenati, daughter of Mr. and Mrs. Humbert Michael Fenati, 339 Laurel boulevard, this city. Mr. Rule is the son of Mr. and Mrs. Glenn K. Rule, 3018 Gainesville street, Washington, D. C.

The solemn beauty of the double ring ceremony was accentuated by its simplicity. Rev. George R. Tolson of the Faneuil Congregational church of Boston, Mass., officiated at the impressive rite. Five-branched candelabra holding lights and white tapers and two vases of white snapdragons were arranged on the altar. Pine roping decorated the chapel.

Traditional wedding music was presented at the organ by Professor James W. Evans, whose selections included O'Harden's "Be-cause" and Lohengrin's "Wedding March."

A graceful picture was presented by the young bride in a floor-length gown of ivory satin. A wide self braid trim collar accented the deep rounded neckline and the molded bodice extended into a billowy skirt featuring unpressed pleats. Long satin gloves and a shoulder-length veil of French ivory illusion attached to a Juliet satin cap were complementary accompaniments. The bride's bouquet consisted of white gardenias and streamers entwined with stephanotis. Her father, H. M. Fenati, gave her in marriage. The bride chose her sister, Mrs. William J. Semler, to be her matron of honor and only attendant. Mrs. Semler was winsomely attired in a silver blue brocade gown fashioned with a portrait neckline outlined in deep blue velvet with a matching sash encircling the waist. She wore a Juliet cap of deep blue velvet and harmonizing short mitts. Her flowers were composed of pale pink camellias and stephanotis.

Martin S. Wolfe of Washington, D. C., attended the groom as best man and ushering were H. M. "Ben" Fenati, brother of the bride, and Professor Edward S. Godfrey of Albany, N. Y.

A New Wilmington dining room was the scene of a wedding reception following the ceremony with 60 guests in attendance.

Mr. and Mrs. Rule will make their home in Pullman, Wash., where they are enrolled at State College of Washington. Mr. Rule in the department of engineering and Mrs. Rule in the department of psychology. Mrs. Rule is a graduate of the University of Chicago and did further work at the University of California. Her husband attended George Washington university, Washington, D. C., did additional study at the University of California and is a member of Sigma Chi fraternity.

Ellwood To Build New Bath House

ELLWOOD CITY, Jan. 10.—Action taken at the last session of Borough Council adds an additional tax levy of two and a half mills to aid in providing funds for the construction of a bath house at the Veterans Memorial swimming pool in Ewing Park.

Cost of the structure, according to contracts just let, will be \$74,000. The tax levy will be placed on real property and occupations for the year 1950 and succeeding years until the cost of the proposed improvements is amortized.

Raymond R. Hazen, R.D. 2, Ellwood City, has been awarded the contract for construction at \$65,886. Bruce Merlees Electric company of New Castle get the electrical bid at \$13,944.

Union Firemen Plan Important Meeting

Union Township Volunteer Firemen plan an important meeting in their fire hall on Thursday evening, January 12, at 8 p.m. when plans for the building fund drive will be made. Plans will be made also for a sauerkraut supper to take place during February.

During the meeting, discussion will take place on the matter of securing petitions for the installation of fire plugs in the township. Cooperation of the citizens is desired in this matter as it will be to their benefit to have the plugs installed.

Authorities say the usual number of marriageable persons in this country has been cut down because of the many marriages during the war years, and that only about 1,600,000 Americans will be married this year, a 12 per cent decrease from last year.

SHOOTS CATS FOUND DESTROYING PAINT

Raymond Ippolito, 1006 North Liberty street, who was arrested on a charge of shooting revolver bullets at cats which were destroying a new paint job on his auto

last night, was discharged in police court today.

He told the mayor he shot five times and of three cats fired at, he shot two.

The mayor informed Ippolito that city ordinance prohibits shooting within the city limits.

Vets Disability Pay Increased

Checks Received This Month To Reflect New Scale Adopted By Last Congress

AFFECTS VETERANS OF PEACE AND WAR

Increases in disability and death compensation paid to veterans and their dependents, as provided in Public Laws 339 and 436 of the 81st congress, in most instances will be reflected in benefit checks issued for the month of December. The first of the increased checks will be received in January, it was added by G. C. Barna of the local V. A. office.

The law grants increases in certain cases of service-connected disability and death payments. It does not affect any pension payable for disability or death not due to service, V. A. emphasized.

Changes resulting from the new law are summarized as follows:

Largest Group
The largest group to receive increases is composed of about 1,882,000 veterans with service-connected disabilities rated from 10 per cent to 100 per cent in degree. It includes the service-disabled of World Wars I and II and veterans disabled as the result of peacetime service subsequent to July 15, 1903.

Amounts paid monthly to this group under the old rates ranged from \$13.80 to \$138 for war service and from \$11.04 to \$110.40 for peacetime, based upon the percentage of disability. The new rates are, respectively, \$15 to \$150 and \$12 to \$120, an increase of 8.7 per cent.

Widows Benefit
Some 58,000 widows receiving compensation because of the service-connected death of a veteran, and who have one or more children will get increases. The law raises from \$100 per month to \$105 the amount payable to a widow with one child, and from \$15 to \$25 the allowance for each additional child, where the veteran's death was due to war service. Where death resulted from peacetime service, the widow receives 80 per cent of the war rates.

Public Law 877 of the 80th con-

gress will provide veterans, drawing compensation for service-connected disabilities rated 60 per cent or more, with additional allowances for their dependents. The new law makes eligible for dependency allowances those veterans rated from 50 to 60 per cent disabled. Those 50 per cent disabled due to war service will receive monthly amounts, based on the number and relationships of their dependents.

Veterans disabled due to peacetime service will receive 80 per cent of the war rates. The new law also grants an increase in disability compensation payable to some 20,000 World War I veterans whose disabilities are classified under law as "presumed" to be due to service. These veterans previously were entitled to but 75 per cent of the rates payable for direct service-connected disabilities. Public Law 339 restores them to the full rate.

Pennsylvania Week Chairman Is Named

HARRISBURG, Jan. 10.—(INS)—Joseph C. Feagley, a Lancaster business executive, today was named chairman for the 1950 Pennsylvania Week celebration October 16-22.

Commerce Secretary Theodore Roosevelt III said, as in the past, the department will coordinate the program throughout the state. Feagley, vice president of the Armstrong Cork company, said appointments to the Pennsylvania Week general committee will be announced soon.

Pennsylvania Week "deserves the support and participation of every Pennsylvania man and woman, boy and girl," Feagley asserted.

At Father's Trial

DAUGHTER of the defendant, Mrs. Sylvia Hausman is shown just before taking the stand in a Los Angeles court as first witness in the trial of her father, Fred Stroble, 68, charged with the brutal slaying of Linda Joyce Glucot, 6. She told of leaving her father alone in the house on the afternoon of the child's murder. (International)

RECORD WALKER DIES IN TOLEDO

TOLEDO, O., Jan. 10.—(INS)—John McMarald, 56, a newsman from Edinburgh, Scotland, who died in Toledo after walking 665,000 miles across the world, will be buried in Forest Cemetery in Toledo.

McMarald, who was hospitalized since December 4, feared that he would be buried in a pauper's grave, but some friendly Toledoans donated \$100 to bury the adventure-seeker in a respectable plot.

Before his death McMarald said he had walked the last two years on a trip through Australia and the Dutch Indies, through Canada to the west coast and eastward to Toledo.

He earned money for food and clothing by lecturing to schools and clubs when on land and by working as a stoker while aboard ship.

How long after February 1st will you be driving your car

WHAT do we mean? Well, read the digest of the new Pennsylvania Safety Responsibility Law in the panel at the left, and see how your right to drive and your car registration may be affected. But an auto accident need not prevent you from driving your car. An Allstate Insurance policy can free you from this danger... and at the same time protect everything you own against ruinous judgments resulting from an auto accident.

Just let the Allstate Insurance Company Agent in your Sears Store tell you how easily and economically you can make your position safe. Allstate was organized by Sears, Roebuck and Co., to give the car owner a better auto insurance buy for his money. Allstate's service, protection and low rates have made it one of the fastest growing companies in America. You get day-and-night protection and claim service in any part of the United States or Canada.

Allstate is famous for prompt settlements without red tape or quibbling. Allstate originated the first pictorial insurance policy in history. Clear, plain drawings help show you what protection Allstate offers.

The "4 to 1" and the "Plus Five P.D." plans, both featured by Allstate, offer you liability protection at lower cost. Ask also about the Disappearing Deductible Collision Insurance—another Allstate feature.

You owe it to your pocketbook to compare Allstate's low rates. You owe it to yourself to compare Allstate coverage by coverage—benefit by benefit—feature by feature—with any other auto insurance on the market.

So see the Allstate Agent at your Sears Store today. Let him show you how little it costs to be safe—the Allstate way!

ALLSTATE
INSURANCE COMPANY

ORGANIZED BY SEARS, ROEBUCK AND CO., is an Illinois corporation, Home Office Chicago, with assets and liabilities distinct and separate from the parent company.

The New State Auto Law in a nutshell

What it means to YOU!

If you, as a driver or car owner, are involved in an accident causing bodily injury to or death of another, or damage to another's property in excess of \$100, your right to drive and your auto registration may be suspended unless:

1. You can show that you were covered by adequate bond or adequate liability insurance with limits of at least \$5,000, per person, for injury or death and \$10,000 per accident, and \$1,000 for property damage; OR
2. Your car was being driven or parked by another person without your consent, or that it was legally parked; OR
3. You deposit security in the form and amount required by the State, up to the above limits; OR
4. You can furnish the State with satisfactory evidence that you have been released from liability or fully adjudicated not liable, or have executed a duly acknowledged written statement providing for installment payments; OR
5. Have your insurance company file proof that you were protected at the time of the accident by acceptable and adequate insurance, such as Allstate.

If you can't do at least one of these things, your auto registration and your driver's license will be suspended.

SECTION 24 NOW

Section 23 WPAL is no longer in Lawrence county!

But don't be alarmed for it hasn't been for nearly a year. At the end of the 1949 basketball season when the WPAL schedules were arranged the committee rearranged some of the sections and as a result the Lawrence county schools are now in Section 24.

The change from 23 to 24 went past us unnoticed until the present and we hasten to correct our error before it becomes too great.

Section 23 is now composed of Aspinwall, Elma, Edgewood, Millvale, Oakmont, Sharpsburg, Hampton and Verona.

The change in number of the county Class B section is nothing new, however, and should have been anticipated. In 1942 it was known as Section 20, but was changed to Section 21 in 1943. In 1946 it was changed back to 20 and in 1947 to 21. In 1948 it was Section 23, where it remained until last spring.

While we're on the subject of WPAL basketball sections it might be well to mention that there are 27 sections this year.

Of these, the first 12 are Class A sections and the last 15 Class B sections.

New Castle Meets Beaver Falls In Sectional Game Here Tonight

Locals Seeking First Loop Win

Winner Tonight Can Leave Basement In Section 3, Prelim At 7 O'Clock

Considerable interest is attached to the New Castle and Beaver Falls Section Three battle here tonight, at Washington high court. There are no tiffes at stake, but the winner can leave the cellar confines.

Both New Castle and Beaver Falls have lost their first two starts—New Castle to Farrell and Ambridge, Beaver Falls to Sharon and Aliquippa. Both teams are anxious to crack the victory column.

No Lineup Changes
Coach George Thomas does not intend to change his starting lineup for tonight, he will use Dick Lewis and Don Lehberger or John Sansone at the forwards, the high-scoring Don Reed at center, and Ray Latsko and Chuck McDevitt at the guards.

Coach Joe Hetra will probably start the following Beaver Falls lineup: Why and Winters at the forwards, Willford at center, and Pavlinch and Cartwright at the guards. Cartwright is leading the Beaver Falls team in scoring with 19 points in the two games, with Pavlinch having 12, Winters 12 and Willford 11.

Reed Has 222 Points
Young Don Reed has scored 38 points in the two sectional tilts to date, and in all games this season Reed has scored the staggering total of 222 points in 10 games or an average of 22.2 per game. Dick Lewis is runnerup to Reed with 23 in sectional play and a total of 79 for the 10 games to date.

Other section battles on the card tonight are: Aliquippa at Sharon, where the league lead is at stake, and Ambridge at Ellwood City. The Quips and Tigers game holds the league spotlight.

The preliminary game here tonight will find the New Castle Junior Varsity meeting the Beaver Falls Jayvees at 7 o'clock.

Bessemer Trounces Wampum Five 97-62

Bessemer Legion trounced the Wampum Beatties Club last night at Bessemer High floor 97 to 62, with Wilbur Kurlsel having 25 points, and A. Anderson 24 for Bessemer, and Alfred 23 for Wampum.

Thursday the Bessemer Legion will play host to the Benny Jones team of Sharon at the Bessemer court.

Wesley Bennet was named All-American basketball player from Westminster in 1935.

Took Case to Court

TWO YEARS AGO he was a 50-cents-an-hour ball boy for the Chicago Stags pro cage team. Today, however, he is a full-fledged member of the team, earning \$1,000 a month. He is Joe Braboski, 19. He has scored 151 points. (International)

Morellas To Play At Grove City

Morellas Will Play Famous New York Clowns At Arena Sunday Afternoon

The Morella All-Stars basketball team will go to Grove City Wednesday night to meet the fast BoBo quintet. All players are to meet at the Morella Dairy Bar at 6:15 o'clock to make the trip.

Frank Morella announced today the prices for the Morella-New York Broadway Clowns game at the Arena Sunday as follows: Adults 75c, and children 35c. Tickets will be on sale at Gus' Men's store, YMCA and Morella's Dairy Bar.

BOBBY THOMSON SIGNS CONTRACT

NEW YORK, Jan. 10.—(INS)—The New York Giants announced today that outfielder Bobby Thomson has mailed in his signed 1950 contract.

Although terms of the contract were not disclosed, Giant officials said that Thomson had received a "substantial increase" over 1949's salary.

Westminster Back Home To Face Al Vlasic And Co.

Westminster's Towering Titans face one of their busiest weeks in the 1949-50 cage campaign starting Wednesday night.

The Washbaugh crew plays host to Geneva Wednesday, travels to Cleveland for an engagement with Baldwin-Wallace on Friday, and returns home to meet Bethany Saturday night.

In a December 15 encounter with the Covies, Westminster squeaked by 54 to 52 on the strength of a last second heave by Jackie Jones.

'Possession Type'
Geneva, a possession type team, has moved well in fast basketball circles since the defeat by Westminster and wants to ruin the Titans' first home appearance in 1950. Coach Cliff Aultman is very proud of the 6 and 3 record compiled by the Old Gold and White so far this season.

Aultman is an all-time Geneva great athlete who won 15 letters at the valley school. For the last 13 years he has been coach at Avonworth High but this year answered his alma mater's call for a successor to Slim Ransom.

The Covies boast of the district's individual scoring leader in Al Vlasic, a 6-3 junior from Monaca. Vlasic paced the Covies with 347 points last year and will go even higher this season. He has already connected for 133 in nine games.

Seek No. 62
The Titans will be seeking their 62nd consecutive home win Wednesday night. The Blue and White has not made a home appearance since December 10.

Friday finds Westminster a 13-point underdog in the first half of a double-header program in Cleveland.

SHORT SHOTS

St. Francis suffered its first defeat after six straight wins at the hands of Le Moyne, a small, big-time, new comer from near Syracuse. Pitt and Carnegie Tech renew an old basketball rivalry Wednesday night. Duquesne meets undefeated Cincinnati tonight in one of the most important basketball games in the nation. Geneva's Al Vlasic connected for 36 points against Gannon last Saturday night.

Slippery Rock's only loss of the season came from Westminster in the Optimist benefit here. The Rockets have won three straight since then.

Al McCullough is the top Titan scorer with 105 points in nine games. Bill Wanish, St. Francis' flash, has scored 131 points in eight games for eighth place in tri-state scoring.

Although terms of the contract were not disclosed, Giant officials said that Thomson had received a "substantial increase" over 1949's salary.

New Castle Rifle Club Loses Match

New Castle rifle club lost to the Beaver Valley team last night at the local armory range 1195 to 1174 with Field of Beaver Valley shooting high string of 242 out of a 250 possible.

The results: New Castle—Thomas 240, Carrigan 236, Roman 234, Moore 233, Bowers 231—total 1174. Beaver Valley—Field 242, Musgrave 240, Lowman 239, Cleary 237, Thompson 237—total 1195.

Paul Carrigan who has served the New Castle rifle club as secretary for a number of years, has tendered his resignation, he announced today. Carrigan has done a very efficient job.

Ellwood Entertains Ambridge Tonight

Ellwood City entertains Ambridge tonight in the second Section 3 test for the Wolverines.

Ellwood dropped a close 29-25 decision at Farrell Friday, while Ambridge had a relatively easy time with New Castle 63-41. The bridgeers dropped their first sectional tilt to Sharon 52-49.

Ambridge is co-favorite to cop the sectional bunting, along with Sharon and Farrell, and can little afford to drop another game in league play. The Wolverines on the other hand, gave Farrell a much stiffer battle than anyone expected and may cause more trouble than counted on.

RANDALL TRACK IS BEING SOLD

CLEVELAND, Jan. 10.—(INS)—The million dollar purchase of Randall Park race track may be completed in Cleveland this afternoon.

Prospective buyers, Ben and Herman Cohen of Baltimore, principal Randall owners, Sam Lombardo and John Masoni, are scheduled to resume negotiations today.

Negotiations were settled yesterday when the men met to discuss price terms.

Section 24 Teams In Action Tonight

Union At Wampum, Shenango At East Brook, New Wilmington At Mt. Jackson

Union plays at Wampum, Shenango visits East Brook and New Wilmington travels to Mt. Jackson in Section 24 tilts tonight. Bessemer has the night off.

WAMPUM-UNION GAME AT 7 P. M.

Coach Butler Hennon of the Wampum High basketball team informed The News this morning that the Wampum-Union main game tonight at the Wampum court will start at 7 o'clock with the reserves playing afterwards. This is due to the atmospheric condition of the Wampum floor.

Union will make its third try for victory number one in sectional play when it meets Wampum on the Indian's floor. Wampum opened its league play last Friday with a decisive 77-57 victory over Shenango.

Shenango vs East Brook
Shenango will try to get back on the winning trail when it takes on the tough East Brook five at East Brook. Shenango topped Mt. Jackson in its opener but ran into trouble against Wampum. East Brook defeated Bessemer and Union in its first two league games.

New Wilmington and Mt. Jackson round out the sectional card at Mt. Jackson. The Greyhounds will be looking for their third straight and the Mounties, who were idle Friday, will be searching for their first.

SECTION SHORTS

Tom Hutchinson dropped from first in scoring to fifth in one round of games. . . Robert Anderson took over first with 39 points in the two games played as a result of his 25 against New Wilmington Friday. . . Other high scores are Walt McGinnis 34, Don Schena 31, Bill Getchey 26 and Hutchinson 24. . . Schena scored all 31 of his in one game. . . Freedom topped Beaver 45-42 in the Section 9 opener. . . Both teams played games with Section 24 teams. . . Several of the games between the reserves have been just as interesting as the varsity games this year, within early all of them very close.

HANKS TO MEET

There will be a special meeting of the Hanks basketball team at 7 o'clock tonight at hte club rooms, it was announced today by Francis Stockman.

Pulaskis Playing At Sharon Tonight

Meet Strong Pittsburgh YMHA Team At K.P. Hall Wednesday Evening

The K. Pulaski "Big Five" will journey to Sharon tonight to try and end their current three game losing streak at the expense of the once beaten Sharon Monaca "Five".

The East Brook Boosters have been the only team which has handed the Sharon team their only setback thus far this season.

The Benny-Jones-Monaca cagers are the class B champions of last year's Cortland tournament which the Pulaskis are planning to enter this year. The Sharon quintet also boasts of a victory over the strong Morella All-Stars.

Pittsburgh Wednesday

Andy Listiak, former Sharon high star, and "Whiskers" Jacobson, another ex-Tiger flash are the leading scorers for the Monaca quintet.

All players are asked to meet at the club rooms not later than 7:30 p. m. to make the trip. The game is scheduled for 9 p. m. to be played at the Sharon Buhl club. Coach Al Goner is planning to take his strongest team down to whip the highly touted Sharon Five.

Wednesday the Pulaski will meet the strong Pittsburgh Y. M. H. A. "Five" at the K. P. hall at 8:15 p. m.

VFW 315 Wins Game In Ellwood League

VFW 315 defeated Pittsburgh Circle 53-24 Monday night in the District Basketball league of Ellwood City at the Shelby gym.

The Vets got off to a 17-5 lead in the first period and were never headed. Procopio led the local attack with 11 points. Bilo was high man for the losers with nine.

The victory gave the Vets a tie with Pittsburgh Circle for second place in the league with three wins and two losses.

ST. MARY'S JUNIORS TROUNCE LEPORE FIVE

St. Mary's Junior basketball team trounced the Lepore Five 45 to 23 last night at the Catholic Center floor with Leo Carrigan and Don Fee starring for the Joe Howley coached machine with 15 points apiece and with Perrotta having 14 points for Lepores.

Shenango Junior Sportsmen Meet

Shenango Junior sportsmen met Monday evening at Shenango high school and elected the following officers for the coming year:

Harry St. John, president; Harold Kelly, vice president; Gene Mathews, treasurer, and Jerry Perdue, secretary.

The group heard district game protector Cal Hooper and Mr. Crooks of Oil City. Also enjoyed movies on wildlife as shown by Mr. Crooks before having a light lunch.

A vote of the boys present decided that the first Thursday of each month will be the meeting night.

The group will also meet each Monday with the Lawrence County Coon Hunters Association.

Crowe To Coach Baltimore Colts

BALTIMORE, Jan. 10.—(INS)—Glen Crowe, former coach of the All-American Conference Buffalo Bills, arrived today to assume his duties as coach of the Baltimore Colts of the new consolidated National American League.

Crowe succeeds General Manager Walter Driskell, who in turn took over last season when Cecil Isbell was fired after the first few games had been played.

Report from California states that Bull Montana, heavyweight wrestler, who was to have appeared in the tag match on the Ivan Rasputin-Cyclone Anaya docket January 20, is ill, hence a substitution will have to be made for him.

Intercollegiate ice hockey is being revived at Michigan State this winter after a 19-year lapse.

Jerry Barber Leading Hogan By Two Strokes

Hogan Starts Third Round Shakily, But Recovers, Burke In Third Spot

By CHUCK PANAMA (International News Service Sports Writer)

LOS ANGELES, Jan. 10.—Two caddy-sized linksmen led their burlier colleagues today into the final round of the \$15,000 Los Angeles open golf tournament at Riviera Country club.

Jerry Barber of Pasadena, Calif., and Ben Hogan of Fort Worth, Tex., a couple of bantamweight swingers, paced the field into the last 18 holes of the elongated tourney.

Barber, a 33-year-old newcomer to tournament competition, held the lead with a four-under-par 209 for the first 54 holes. He went one over par yesterday with a 72.

Hogan Dramatic
The Hogan story, one of the most dramatic in sports history, had a brilliant chapter written yesterday by the little man from Texas.

Hogan, after getting off to a shaky two over par 73 first round last Friday, fired his second straight 69 yesterday as a gallery of 9,500 fans roared its approval. He is just off the pace with 211.

Jack Burke of White Plains, N. Y., took over the dark horse role following his three under par 69 that moved him into third spot with a 212.

Ex-tennis champion Ellsworth Vines, playing out of Pasadena, Calif., is at even par 213, one stroke ahead of pre-tourney choice Slammin' Sammy Snead.

Intercollegiate ice hockey is being revived at Michigan State this winter after a 19-year lapse.

IN SPORTS' LAND

DICK DAVIS and Joe Medure, councilmen, have been named by city council as the city's representatives on the Municipal Recreation committee. Joe heads the departments of parks, and no doubt, both Davis and he will receive many requests to condition ball fields this year. . . Dick Kroesen who played with the American Legion at Louisville, expects a good season this year. He had an all-year batting average during 1949, of .402, a record which shouldn't be sneezed at. He is 18, stands five feet, five inches tall and weighs 138. When he grows several more inches, and takes on some more "beef", scouts will trail him. . . Hugh Hannon, who, in his younger days, was renowned as a Minstrel man, and famed locally for song and dance, is in the New Castle hospital, having sustained a fracture of the skull from a fall. . . William Watters and son, and Ted Linton got two snowshoe rabbits last week. Three hours were required for the kill.

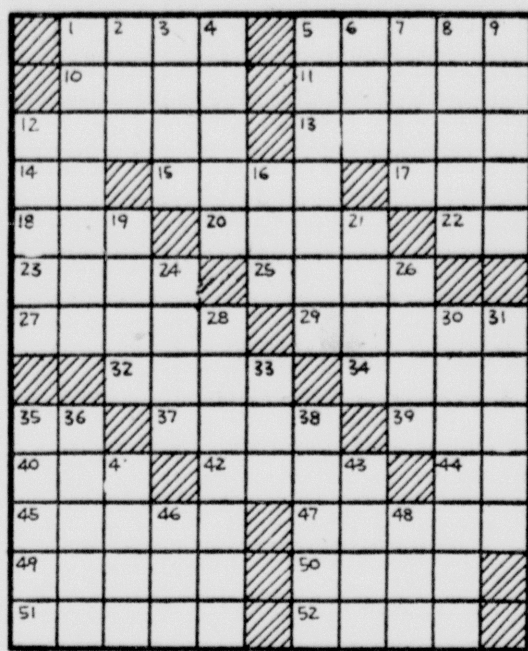

William Brady, age 86, died in New York, several days ago. He was a great showman in his day, and once managed Jim Corbett and Jim Jeffries when both were heavyweight boxing kings. . . Passing of the New York Sun to the control of the New York World-Telegram recalls when Here & There worked for the Sun whose editor from 1893 to 1897, Charles A. Dana said: "I have always felt that whatever Divine Providence permitted to occur, I was not too proud to print." It was a great newspaper. . . Westminster aquatic performers won their second victory, 36-30 by defeating Edinboro Teachers. . . Whoever is elected to succeed Len Gilbert, City League president, will have a real job on his hands, finishing Lee Avenue Baseball field. It is regretted Gilbert refuses to stand for re-election. He did much to bring the City circuit to the point it now holds in the affection of fans. . . Directors of the LCSA and Jack Diamond will meet tonight at the Central fire department. . . Although the exhibition is yet 10 days distant, fans and fanettes already are clamoring for pastebards to the Ivan Rasputin vs Cyclone Anaya affray. The card is stupendous, as Jake Mintz, manager of Ezzard Charles would report, were it a boxing schedule.

Duck stamp sales for 1948-49 broke all records, with hunters buying 2,127,593 of the last \$1 issue. Financial report will be delivered when the City Circuit meets Friday. Mrs. Jack Herbert who saw potentialities in Coalstown during Coalstown's early days, has forwarded a copy of the Miami Herald. . . Bill Francis a real fan for all sports, is at St. Petersburg. . . Johnny Baer will soon flit south. . . If Montana knows as many wrestling tricks as his brother, Bull, the match, January 20 will be an exciting melee, and after all, melee is the right word to use for such a "bout". In such matches, the wrestling commission allows everything but mayhem to be committed. . . Rosy White and Here & There will be among those to pay respects to Hays Engert who is being feted Wednesday night by the Western Reserve sportsmen of Mercer county. . . It appears as though Bobby Jones is on the way back in golf, following a long lay-off due to injuries in an auto accident. . . It won't be long until Joe Rick begins jogging his trotters and paces at the Rick stock farm track.

Mikan Leading
NBA Scorers

NEW YORK, Jan. 10.—(INS)—George Mikan of Minneapolis and Alex Groza of Indianapolis continue today to dominate the field in the race for individual honors in the National Basketball Association.

The bespectacled Mikan, however, hopes most of the spotlight. Big George leads the loop in scoring with 954 points in 34 games as compared to Groza's 798 in 33 games.

The tall Minneapolis pivot man also leads in best per game average (28.1), most field goals (324), most foul shots made (309) and has committed the most personal fouls (102). Groza holds second place in all of those departments except personal fouls.
